In the Distribution, Equifax's shareholders received one share of Certegy common stock for every two shares of Equifax common stock owned as of the Record Date, and a cash payment in lieu of Certegy fractional shares, as more specifically described in the Distribution Agreement, Plan of Reorganization and Distribution dated as of June 30, 2001, by and between Equifax and Certegy, attached as Exhibit 2.1 to this Report.

Equifax and Certegy were separated for accounting purposes as of 11:59 p.m., Atlanta, Georgia, time on June 30, 2001. Equifax common stock continues to be traded on the New York Stock Exchange under the symbol "EFX."

In connection with the Distribution, certain former officers and directors of Equifax resigned from all positions they held with Equifax and several Equifax subsidiaries. These included Lee A. Kennedy, former President, Chief Operating Officer and director, Larry J. Towe, former Executive Vice President - Payment Services, Bruce S. Richards, former Corporate Vice President, and Michael T. Vollkommer, former Corporate Vice President and Controller. Mr. Kennedy has assumed the role of President and Chief Executive Officer of Certegy, and is a director of Certegy. Mr. Towe has assumed the role of Executive Vice President and Chief Operating Officer of Certegy, Mr. Richards has assumed the role of Corporate Vice President, General Counsel and Secretary of Certegy, and Mr. Vollkommer has assumed the role of Corporate Vice President and Chief Financial Officer of Certegy. In addition, the current Chairman of the Board and Chief Executive Officer of Equifax, Thomas F. Chapman, serves as Chairman of the Board of Certegy for a transitional period.

Equifax and Certegy have entered into certain agreements governing the relationship between Equifax and Certegy after the Distribution and providing for the allocation of tax, employee benefits and certain other assets and liabilities and obligations arising from periods prior to the Distribution. These agreements are filed as Exhibits 2.1 and 99.1 to 99.6 to this Report.

Additional information concerning Equifax, the Distribution and Certegy is contained in Equifax's Current Report on Form 8-K filed on June 13, 2001, as amended, Equifax's Quarterly Report on Form 10-Q for the quarter ended March 31, 2001, Equifax's Annual Report on Form 10-K for the year ended December 31, 2000, and Certegy's Registration Statement on Form 10 that was declared effective by

DISTRIBUTION AGREEMENT
PLAN OF REORGANIZATION AND DISTRIBUTION

DISTRIBUTION AGREEMENT ("Agreement") dated as of June 30, 2001, by and between Equifax Inc., a Georgia corporation ("Equifax"), and Certegy Inc., a Georgia corporation ("Certegy").

RECITALS

A. Certegy is a wholly-owned subsidiary of Equifax formed for the purpose of taking title to the stock of certain Equifax subsidiaries, the assets and liabilities of which constitute the businesses of Equifax's Payment Services Group ("PSG").

B. The Board of Directors of Equifax has determined that it is in the best interests of Equifax and its shareholders to transfer and assign to Certegy effective at and after the Effective Time (as defined herein) and as a contribution to the capital of Certegy, the capital stock of the Equifax subsidiaries that currently operate the PSG businesses and certain related assets and to receive in exchange therefor shares of Certegy Common Stock and the Borrowing Proceeds (each as defined herein).

C. The Board of Directors of Equifax has further determined that it is in the best interests of Equifax and its shareholders to make a distribution (the "Distribution") to the holders of Equifax Common Stock (as defined herein) of all of the outstanding shares of Certegy Common Stock at the rate of one share of Certegy Common Stock for every two shares of Equifax Common Stock outstanding as of the Record Date (as defined herein).

D. The parties intend that the Contribution constitute a reorganization described in Section 368(a)(1)(D) of the Code (as defined herein) and that the Distribution not be taxable to Equifax or its shareholders pursuant to Section 355 of the Code.

E. The parties have determined that it is necessary and desirable to set forth the principal corporate transactions required to effect the Contribution and the Distribution and to set forth other agreements that will govern certain other matters following the Distribution.

(c) In the event that any Equifax Group member is required to pay or otherwise satisfy any Guaranteed Certegy Liabilities, without limiting any of Equifax's rights and remedies against Certegy under this Agreement or otherwise, in order to secure Certegy's indemnity obligations to Equifax hereunder in respect of such Guaranteed Certegy Liabilities, Equifax shall be entitled to all the rights of the payee in any property of any member of the Certegy Group pledged as security for such Guaranteed Certegy Liabilities.

-10-

ARTICLE IV INDEMNIFICATION

Section 4.01. Certegy Indemnification of the Equifax Group. On and after

the Distribution Date, Certegy shall indemnify, defend and hold harmless each member of the

-13-

Equifax Group, and each of their respective directors, officers, employees and agents (the "Equifax Indemnitees") from and against any and all Indemnifiable Losses incurred or suffered by any of the Equifax Indemnitees and arising out of, or due to, (a) the failure of Certegy or any member of the Certegy Group to pay, perform or otherwise discharge, any of the Certegy Liabilities and (b) any untrue statement or alleged untrue statement of any material fact contained in the preliminary or final Form 10, the preliminary or final Information Statement or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading (other than the information about Equifax included in the sections of the Information Statement attached as Exhibit 99.1 to the Form 10 entitled "Summary - Our Business," "Summary - The Distribution," and "The Distribution - Reasons for the Distribution," or any amendment or supplement thereto).

Section 4.02. Equifax Indemnification of Certegy Group. On and after

the Distribution Date, Equifax shall indemnify, defend and hold harmless each member of the Certegy Group and each of their respective directors, officers, employees and agents (the "Certegy Indemnitees") from and against any and all Indemnifiable Losses incurred or suffered by any of the Certegy Indemnitees and arising out of, or due to, (a) the failure of Equifax or any member of the Equifax Group to pay, perform or otherwise discharge, any of the Equifax Liabilities and (b) any untrue statement or alleged untrue statement of any material fact regarding Equifax included in the sections of the Information Statement attached as Exhibit 99.1 to the Form 10 entitled "Summary - Our Business," "Summary - The Distribution," and "The Distribution - Reasons for the Distribution," or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading.

Section 4.03. Contribution. In circumstances in which the indemnity

agreements provided for in Sections 4.01(b) and 4.02(b) are unavailable or insufficient, for any reason, to hold harmless an indemnified party in respect of any Indemnifiable Losses, each indemnifying party, in order to provide for just and equitable contribution, shall contribute to the amount paid or payable by such indemnified party as a result of such Indemnifiable Losses, in such proportion as is appropriate to reflect the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions or alleged statements or omissions that resulted in such Indemnifiable Losses, as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by Certegy or Equifax, the parties' relative intents, knowledge, access to information and opportunity to correct or prevent such statement or omission, and any other equitable considerations appropriate in the circumstances.

Section 4.04. Insurance and Third Party Obligations. No insurer or

any other third party shall be, by virtue of the foregoing indemnification provisions, (a) entitled to a benefit it would not be entitled to receive in the absence of such provisions, (b) relieved of the responsibility to pay any claims to which it is obligated, or (c) entitled to any subrogation rights with respect to any obligation hereunder.

-14-

ARTICLE V
INDEMNIFICATION PROCEDURES

Section 5.01. Notice and Payment of Claims. If any Equifax or

Certegy Indemnitee (the "Indemnified Party") determines that it is or may be entitled to indemnification by a party (the "Indemnifying Party") under Article IV (other than in connection with any Action or claim subject to Section 5.02), the Indemnified Party shall deliver to the Indemnifying Party a written notice specifying, to the extent reasonably practicable, the basis for its claim for indemnification and the amount for which the Indemnified Party reasonably believes it is entitled to be indemnified. After the Indemnifying Party shall have been notified of the amount for which the Indemnified Party seeks indemnification, the Indemnifying Party shall, within 30 days after receipt of such notice, pay the Indemnified Party such amount in cash or other immediately available funds (or reach agreement with the Indemnified Party as to a mutually agreeable alternative payment schedule) unless the Indemnifying Party objects to the claim for indemnification or the amount thereof. If the Indemnifying Party does not give the Indemnified Party written notice objecting to such claim and setting forth the grounds therefor within the same 30 day period, the Indemnifying Party shall be deemed to have acknowledged its liability for such claim and the Indemnified Party may exercise any and all of its rights under applicable law to collect such amount.

Section 5.02. Notice and Defense of Third Party Claims. Promptly

following the earlier of (a) receipt of notice of the commencement by a third party of any Action against or otherwise involving any Indemnified Party or (b) receipt of information from a third party alleging the existence of a claim against an Indemnified Party, in either case, with respect to which indemnification may be sought pursuant to this Agreement (a "Third Party Claim"), the Indemnified Party shall give the Indemnifying Party written notice thereof. The failure of the Indemnified Party to give notice as provided in this Section 5.02 shall not relieve the Indemnifying Party of its obligations under this Agreement, except to the extent that the Indemnifying Party is prejudiced by such failure to give notice. Within 30 days after receipt of such notice, the Indemnifying Party shall by giving written notice thereof to the Indemnified Party, (a) acknowledge, as between the parties hereto, liability for, and at its option elect to assume the defense of such Third Party Claim at its sole cost and expense or (b) object to the claim of indemnification set forth in the notice delivered by the Indemnified Party pursuant to the first sentence of this Section 5.02 setting forth the grounds therefor; provided that if the Indemnifying Party does not within the same 30 day period give the Indemnified Party written notice acknowledging liability or objecting to such claim and setting forth the grounds therefor, the Indemnifying Party shall be deemed to have acknowledged, as between the parties hereto, its liability to the Indemnified Party for such Third Party Claim. Any contest of a Third Party Claim as to which the Indemnifying Party has elected to assume the defense shall be conducted by attorneys employed by the Indemnifying Party and reasonably satisfactory to the Indemnified Party; provided that the Indemnified Party shall have the right to participate in such proceedings and to be represented by attorneys of its own choosing at the Indemnified Party's sole cost and expense. If the Indemnifying Party assumes the defense of a Third Party Claim, the Indemnifying Party may settle or compromise the claim without the prior written consent of the Indemnified Party; provided that the Indemnifying Party may not

agree to any such settlement pursuant to which any remedy or relief, other than monetary damages for which the Indemnifying Party shall be responsible hereunder, shall be applied to or against the Indemnified

-15-

Party, without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld. If the Indemnifying Party does not assume the defense of a Third Party Claim for which it has acknowledged liability for indemnification under Article IV, the Indemnified Party may require the Indemnifying Party to reimburse it on a current basis for its reasonable expenses of investigation, reasonable attorneys' fees and reasonable out-of-pocket expenses incurred in defending against such Third Party Claim, and the Indemnifying Party shall be bound by the result obtained with respect thereto by the Indemnified Party; provided that the Indemnifying Party shall not be liable for any settlement effected without its consent, which consent shall not be unreasonably withheld. The Indemnifying Party shall pay to the Indemnified Party in cash the amount for which the Indemnified Party is entitled to be indemnified (if any) within 15 days after the final resolution of such Third Party Claim (whether by the final nonappealable judgment of a court of competent jurisdiction or otherwise), or, in the case of any Third Party Claim as to which the Indemnifying Party has not acknowledged liability, within 15 days after such Indemnifying Party's objection has been resolved by settlement, compromise or the final nonappealable judgment of a court of competent jurisdiction.

or arising out of any employee benefit, compensation or welfare arrangement in respect of any present and former employee of the Equifax Group or the Certegy Group shall be governed by the Employee Benefits Agreement, except as may be expressly stated herein or therein, and except that Article VIII shall apply with respect to such matters to the extent otherwise applicable. In the event of any inconsistency with respect to such matters between the Employee Benefits Agreement and this Agreement or any Ancillary Agreement, the Employee Benefits Agreement shall govern to the extent of the inconsistency.

ARTICLE VII

relating to Taxes shall be governed exclusively by the Tax Sharing and Indemnification Agreement, except as may be expressly stated herein or therein, and except that Article VIII shall apply with respect to such matters to the extent otherwise applicable. In the event of any inconsistency with respect to such matters between the Tax Sharing and Indemnification Agreement and this Agreement or any other Ancillary Agreement, the Tax Sharing and Indemnification Agreement shall govern to the extent of the inconsistency.

ARTICLE VIII
ACCOUNTING MATTERS

Section 8.01. Allocation of Prepaid Items and Reserves. All prepaid

items and reserves that have been maintained by Equifax on a consolidated basis but that relate in part to assets or liabilities of the Certegy Group shall be allocated between Equifax and Certegy as determined by Equifax in its reasonable discretion.

-16-

Section 8.02. Intercompany Accounts. On or before the Distribution

Date, Equifax shall prepare and deliver to Certegy a preliminary PSG Balance Sheet which shall set forth good faith estimates of all intercompany account balances between members of the Equifax Group and members of the Certegy Group as of the Effective Time, after giving effect to any intercompany dividends made or declared on or before the Distribution Date and any other transfers of assets or liabilities between the Groups before the Distribution Date pursuant to the express terms of this Agreement or any Ancillary Agreement. On or before the Distribution Date, all estimated intercompany account balances owing as set forth on the preliminary PSG Balance Sheet shall be settled and paid in full by Certegy or Equifax, as the case may be. Within 30 business days after the Effective Time, Equifax shall prepare and deliver to Certegy a final PSG Balance Sheet which shall set forth all intercompany account balances between members of the Equifax Group and members of the Certegy Group as of the Effective Time, after giving effect to any intercompany dividends made or declared on or before the Distribution Date and any other transfers of assets or liabilities between the Groups before the Distribution Date pursuant to the express terms of this Agreement or any Ancillary Agreement. Within ten business day after the delivery of the final PSG Balance Sheet, Equifax shall pay to Certegy or Certegy shall pay to Equifax, as the case may be, the difference between the estimated

account balances set forth on the preliminary PSG Balance Sheet and the final account balances set forth on the final PSG Balance Sheet. Notwithstanding anything contained herein to the contrary, Equifax may at its option contribute to Certegy or its subsidiaries amounts owed by any member of the Certegy Group to any member of the Equifax Group as a contribution to the capital of Certegy in lieu of payment of such amounts to the Equifax Group by the Certegy Group. Any disputes arising from the adjustments required by the final PSG Balance Sheet shall be resolved in accordance with Section 15.10 hereof.

ARTICLE IX
DATA, PRODUCTS AND SERVICES

Section 9.01. Intercompany Data Purchase Agreement. All matters

relating to the ownership of and the right to use data owned or maintained by any member of the Equifax Group or the Certegy Group shall be governed exclusively by the Intercompany Data Purchase Agreement, except as may be expressly stated herein or therein, and except that Article VIII shall apply with respect to such matters to the extent otherwise applicable. In the event of any inconsistency with respect to such matters between the Intercompany Data Purchase Agreement and this Agreement or any Ancillary Agreement, the Intercompany Data Purchase Agreement shall govern to the extent of the inconsistency.

ARTICLE X

Section 10.01. Intellectual Property Agreement. All matters relating

to the ownership and right to use intellectual property, other than data, shall be governed exclusively by the Intellectual Property Agreement, except as may be expressly stated herein or therein, and except that Article VIII shall apply with respect to such matters to the extent otherwise applicable. In the event of any inconsistency with respect to such matters between the Intellectual Property Agreement and this Agreement or any Ancillary Agreement, the Intellectual Property Agreement shall govern to the extent of the inconsistency.

-17-

In the event of any inconsistency with respect to such matters between a particular Services Agreement and this Agreement or any other Ancillary Agreement, the particular Services Agreement shall govern to the extent of the inconsistency.

ARTICLE XII

Section 12.01. Real Estate Agreements. All matters relating to real

property to be owned, leased, subleased, occupied, or shared by the Equifax Group or the Certegy Group after the Effective Time shall be governed by the Real Estate Agreements, except as may be expressly stated herein or therein, and except that Article VIII shall apply with respect to such matters to the extent otherwise applicable. In the event of any inconsistency with respect to such matters between the Real Estate Agreements and this Agreement or any Ancillary Agreement, the Real Estate Agreements shall govern to the extent of the inconsistency.

ARTICLE XIII
INFORMATION

Section 13.01. Provision of Corporate Records. As soon as

practicable following the Effective Time, Equifax and Certegy shall each arrange for the provision to the other of existing corporate documents (e.g. minute books, stock registers, stock certificates, documents of title, contracts, etc.) in its possession relating to the other or its business and affairs or to any other entity that is part of such other's respective Group or to the business and affairs of such other entity.

Section 13.02. Access to Information. From and after the Effective

Time, Equifax and Certegy shall each afford the other and its accountants, counsel and other designated representatives reasonable access (including using reasonable efforts to give access to persons or firms possessing information)

and duplicating rights during normal business hours to all records, books, contracts, instruments, computer data and other data and information in its possession relating to the business and affairs of the other or a member of its Group (other than data and information subject to an attorney/client or other privilege), insofar as such access is reasonably required by the other including, without limitation, for audit, accounting and litigation purposes.

Section 13.03. Litigation Cooperation. Equifax and Certegy shall

each use reasonable efforts to make available to the other, upon written request, its officers, directors, employees and agents, and the officers, directors, employees and agents of its subsidiaries, as witnesses to the extent that such persons may reasonably be required in connection with any legal, administrative or other proceedings arising out of the business of the other, or of any entity that is part of the

-18-

others' respective Group, prior to the Effective Time in which the requesting party or one of its subsidiaries may from time to time be involved. The requesting party shall bear all out-of-pocket costs and expenses in connection therewith. In connection with any matter contemplated by this Section 13.03, at the request of either party, the parties will enter into a mutually acceptable joint defense agreement so as to maintain to the extent practicable any attorney-client privilege or work product immunity of any member of any Group.

Section 13.04. Retention of Records. Except as otherwise required by

law or agreed to in writing, each party shall, and shall cause the members of its Group to, retain all information relating to the other's business in accordance with the past practice of such party. Notwithstanding the foregoing, either party may destroy or otherwise dispose of any information at any time in accordance with the corporate record retention policy maintained by such party with respect to its own records.

Section 13.05. Confidentiality. Each party shall, and shall cause

each member of its Group to, hold and cause its directors, officers, employees, agents, consultants and advisors to hold, in strict confidence, unless compelled to disclose by judicial or administrative process or, in the opinion of its counsel, by other requirements of law, all information of or concerning the other party or its Group (except to the extent that this Agreement or any Ancillary Agreement permits or requires the use or disclosure of such information or to the extent such information can be shown to have been (a) in the public domain through no fault of the persons subject to the restrictions of this Section ("receiving party"), (b) later lawfully acquired after the Effective Time on a non-confidential basis from a third party or (c) independently generated without any reference to any proprietary or confidential information of the other party or its Group), and no receiving party shall (i) use such information, except for the benefit of the other party's Group in connection with the performance of this Agreement or the Ancillary Agreements, or (ii) disclose such information to any other person or entity, except its employees, directors, officers, agents, auditors, attorneys, financial advisors, bankers and other consultants and advisors who need to know such information and who shall be advised of the obligations contained in this Section 13.05 and be bound by them. Each receiving party shall be deemed to have satisfied its obligation to hold confidential any information concerning or owned by the other party or its Group if it exercises the same care as it takes to preserve confidentiality for its own similar information. The covenants in this Section 13.05 shall survive the transactions contemplated by this Agreement and shall continue indefinitely; provided, however, that the covenants in this Section 13.05 shall terminate with respect to any information not constituting a trade secret under applicable law on the third anniversary of the later of the Distribution Date or the date on which the party subject to such covenants with respect to such information receives it (but any such termination shall not terminate or otherwise limit any other covenant or restriction regarding the disclosure or use of such information under any Ancillary Agreement or other agreement, instrument or legal obligation).

Section 13.06. Ownership of Information. Any information owned by

one party or any of its subsidiaries that is provided to a requesting party pursuant to Article V, Article XV, or this Article XIII shall be deemed to remain the property of the providing party. Unless specifically set forth herein, nothing contained in this Agreement shall be construed as granting or conferring rights of license or otherwise in any such information.

-19-

ARTICLE XIV
INTEREST ON PAYMENTS

Section 14.01. Interest. Except as otherwise expressly provided in

this Agreement or an Ancillary Agreement, all payments by one party to the other

continuing waiver of any such term, provision, condition, right or remedy or as a waiver of any other term, provision or condition of this Agreement.

Section 15.04. Entire Agreement. This Agreement, together with the

Ancillary Agreements, constitutes the entire understanding of the parties hereto with respect to the subject matter hereof, superseding all negotiations, prior discussions and prior agreements and understandings relating to such subject matter. To the extent that the provisions of this Agreement are inconsistent with the provisions of any Ancillary Agreement with respect to the subject matter thereof, the provisions of such Ancillary Agreement shall prevail to the extent of the inconsistency.

Section 15.05. Consolidation, Merger, Etc.; Parties in Interest;

Termination.

(a) Without limiting Section 15.05(b), neither party (referred to in this Section 15.05(a) as a "transferring party") shall consolidate with or merge into any other entity or directly or indirectly convey, transfer or lease all or substantially all of its properties and assets to any entity, unless, in each case, the other party to such transaction expressly assumes, by a written agreement, executed and delivered to the other party hereto, in form reasonably

-21-

satisfactory to such other party, all of the Liabilities of the transferring party under this Agreement and the Ancillary Agreements and the due and punctual performance or observance of every agreement and covenant of this Agreement and Ancillary Agreements on the part of the transferring party to be performed or observed.

(b) Neither of the parties hereto may assign its rights or delegate any of its duties under this Agreement without the prior written consent of each other party. This Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and permitted assigns. Nothing contained in this Agreement, express or implied, is intended to confer any benefits, rights or remedies upon any person or entity other than members of the Equifax Group and the Certegy Group and the Equifax Indemnitees and Certegy Indemnitees under Articles IV and V hereof.

(c) This Agreement (including Articles IV and V hereof) may be terminated and the Distribution may be amended, modified or abandoned at any time prior to the Distribution by and in the sole discretion of Equifax without the approval of Certegy or the shareholders of Equifax. In the event of such termination, no party shall have any liability of any kind to any other party or any other person. After the Distribution, this Agreement may not be terminated except by an agreement in writing signed by the parties; provided, however, that Articles IV and V shall not be terminated or amended after the Distribution in respect of any Equifax Indemnitee or Certegy Indemnitee without the consent of such person.

Section 15.06. Further Assurances and Consents. In addition to the

actions specifically provided for elsewhere in this Agreement, each of the parties hereto will use its reasonable efforts to (a) execute and deliver such further instruments and documents and take such other actions as any other party may reasonably request in order to effectuate the purposes of this Agreement and to carry out the terms hereof and (b) take, or cause to be taken, all actions, and do, or cause to be done, all things, reasonably necessary, proper or advisable under applicable laws, regulations and agreements or otherwise to consummate and make effective the transactions contemplated by this Agreement, including, without limitation, using its reasonable efforts to obtain any consents and approvals, make any filings and applications and remove any liens, claims, equity or other encumbrance on an Asset of the other party necessary or desirable in order to consummate the transactions contemplated by this Agreement; provided that no party hereto shall be obligated to pay any consideration therefor (except for filing fees and other similar charges) to any third party from whom such consents, approvals and amendments are requested or to take any action or omit to take any action if the taking of or the omission to take such action would be unreasonably burdensome to the party or its Group or the business thereof.

Section 15.07. Severability. The provisions of this Agreement are

severable and should any provision hereof be void, voidable or unenforceable under any applicable law, such provision shall not affect or invalidate any other provision of this Agreement, which shall continue to govern the relative rights and duties of the parties as though such void, voidable or unenforceable provision were not a part hereof.

Section 15.08. Governing Law. This Agreement shall be construed in

accordance with, and governed by, the laws of the State of Georgia, without

regard to the conflicts of law rules of such state.

-22-

Section 15.09. Counterparts. This Agreement may be executed in one or

more counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute but one and the same agreement.

Section 15.10. Disputes.

(a) Except as otherwise provided in any Ancillary Agreement, all disputes, controversies or claims between members of the Equifax Group and the Certegy Group, which are parties to this Agreement or any Ancillary Agreement, arising out of or relating to this Agreement or any Ancillary Agreement or the performance by the parties of its or their terms, whether based on contract, tort, statute or otherwise, including, but not limited to, disputes in connection with claims by third parties (collectively, "Disputes"), shall be resolved only in accordance with the provisions of this Section 15.10; provided, however, that nothing contained herein shall preclude any party to a Dispute from seeking or obtaining (i) injunctive relief to prevent an actual or threatened breach of any of the provisions of this Agreement or any Ancillary Agreement, or (ii) equitable or other judicial relief to enforce the provisions of this Section 15.10 hereof or to preserve the status quo pending resolution of Disputes hereunder.

(b) Any party or parties to a Dispute of either Group may give the parties to the Dispute of the other Group written notice of the Dispute initiating the procedures hereunder. Within 10 days after delivery of the notice of a Dispute, the receiving parties shall submit to the other a written response. The notice and the response shall include a statement of each party's respective position and a summary of arguments supporting that position and the name and title of the executive who will represent the claimants and of any other person who will accompany such executive in resolving the Dispute. Within twenty (20) days after delivery of the first notice, the executives of both Groups shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, and shall negotiate in good faith to attempt to resolve the Dispute. All reasonable requests for information made by one party to the other will be honored.

(c) If the Dispute has not been resolved by negotiation within sixty (60) days of the notice of Dispute, the Dispute may then be submitted for resolution by binding arbitration by a panel of three arbitrators conducted in accordance with the Rules of Arbitration of the International Chamber of Commerce (the "Rules"), as modified by this Section 15.10. Arbitration shall be initiated by notice from the parties to a Dispute of either Group ("claimants") given to the parties to the Dispute of the other Group ("respondents"). The claimants acting jointly, on the one hand, and the respondents acting jointly, on the other hand, shall each appoint one arbitrator within 14 days after the claimants give an arbitration notice. The two arbitrators so appointed shall designate the third arbitrator by mutual agreement within 30 days after the arbitration notice is given. If the two arbitrators so appointed fail to designate the third arbitrator within such period, then any party may request the International Chamber of Commerce to appoint the third arbitrator within 14 days after such request. The third arbitrator shall be a lawyer licensed to practice in the State of Georgia who shall not be related to, employed by, affiliated with or have had a substantial or ongoing business relationship with any member of either Group.

-23-

(d) The arbitration shall be conducted in Atlanta, Georgia (or at any other place agreed upon by the parties and the arbitrators). The parties will facilitate the arbitration by: (i) making available to one another and to the arbitrators for examination, inspection and extraction all documents, books, records and personnel under their control if determined by the arbitrators to be relevant to the dispute; (ii) conducting arbitration hearings to the greatest extent possible on successive days; and (iii) observing strictly the time periods established by this Section 15.10, the Rules or by the Arbitrators for submission of evidence or briefs. All issues in connection with the Dispute, including procedural issues, shall be decided by the concurrence of at least two arbitrators, and all decisions by the arbitrators shall be accompanied by a written opinion setting forth the findings of fact and conclusions of law relied upon in reaching the decision. The panel of arbitrators shall decide the issues submitted to it in accordance with the language and commercial purposes of this Agreement or the relevant Ancillary Agreement (as applicable); provided that all questions of law shall be governed by the internal laws of the State of Georgia, without regard to its conflict of laws rules. The arbitrators' decision shall be final and binding as to all matters at issue in the Dispute; provided, however, if necessary such decision may be enforced by either party in any court having jurisdiction over the parties or the subject matter of the Dispute. Unless the arbitrators shall assess the costs and expenses of the arbitration proceeding and of the parties differently, each party shall pay its costs and expenses incurred in connection with the arbitration proceeding, and the costs

and expenses of the arbitrators shall be shared equally by the parties.

ARTICLE II ALLOCATION OF TAX LIABILITIES

2.1 Equifax Group.

(a) Current and Prior Periods. Except as otherwise provided in this Agreement, Equifax shall be responsible and liable for all Taxes attributable to the Equifax Group that are imposed for any Pre-Distribution Period. Equifax hereby assumes all such liability and shall indemnify and hold harmless Certegy and any member of the Certegy Group from and against any share or amount of all Taxes attributable to the Equifax Group that are imposed for any Pre-Distribution Period.

(b) Future Periods. Except as otherwise provided in this Agreement, Equifax shall be responsible and liable for all Taxes attributable to the Equifax Group that are imposed for any Post-Distribution Period and shall indemnify and hold harmless Certegy and any member of the Certegy Group from and against all such Taxes.

2.2 Certegy Group.

(a) Current and Prior Periods. Except as otherwise provided in this Agreement, Certegy shall be responsible and liable for all Taxes attributable to the Certegy Group that are imposed for all Pre-Distribution Periods. Certegy hereby assumes all such liability and shall indemnify and hold harmless Equifax and any member of the Equifax Group from and against any share or amount of Taxes attributable to the Certegy Group that are imposed for any Pre-Distribution Period.

(b) Future Periods. Except as otherwise provided in this Agreement, Certegy shall be liable for all Taxes attributable to the Certegy Group that are imposed for any Post-Distribution Period, and shall indemnify and hold harmless Equifax and any member of the Equifax Group from and against all such Taxes.

2.3 Restructuring Taxes.

(a) Generally. Notwithstanding Section 2.1 or Section 2.2 to the contrary, Equifax shall be responsible and liable for and shall indemnify and hold harmless each member

-6-

of the Certegy Group from and against any and all Contemplated Restructuring Taxes. Notwithstanding anything in this Article II (other than Section 2.3(b) or

Section 2.3(c)) to the contrary, Equifax shall be responsible and liable for, and shall indemnify and hold harmless Certegy and any member of the Certegy Group from and against, any and all Additional Restructuring Taxes.

(b) Liability and Indemnification for Certegy Tainting Acts.

Notwithstanding anything in this Article II (other than Section 2.3(c)) to the contrary, Certegy shall be responsible and liable for and shall indemnify and hold harmless each member of the Equifax Group from and against, (i) any Additional Restructuring Taxes, and (ii) any liability resulting from a decision that Equifax is liable to Equifax's or Certegy's shareholders because of a Final Determination that the Distribution is taxable, but in any case only to the extent such Additional Restructuring Taxes or liability to shareholders is due to a Certegy Tainting Act (and not an Equifax Tainting Act).

(c) Liability and Indemnification for Combined Tainting Acts.

Notwithstanding anything in this Article II to the contrary, in the event of a Final Determination that Additional Restructuring Taxes are due to a Tax Authority and such Additional Restructuring Taxes are caused by both an Equifax Tainting Act and a Certegy Tainting Act, then the liability of Equifax and Certegy for any Restructuring Taxes arising from such Final Determination and any liability to shareholders arising from such Final Determination shall be borne fifty percent (50%) by Equifax and fifty percent (50%) by Certegy. Each party, jointly and severally with its Affiliated Group, agrees to pay and to indemnify and hold the other party harmless from and against the amount of Additional Restructuring Taxes and liability to shareholders allocated to such first party under this subsection 2.3(c).

2.4 Allocation of Tax Liabilities. For purposes of determining whether any Taxes or Tax Items are attributable to the Certegy Group or the Equifax Group and whether any Tax Item is attributable to a Pre-Distribution Period or a Post-Distribution Period, the following principles shall apply:

(a) For purposes of this Agreement, the determination of whether Taxes or Tax Items are "attributable" to a member of the Certegy Group or the Equifax Group shall be made using the methods that Equifax has used in Tax Periods prior to the Distribution Date to allocate its Tax liabilities among the various members of its affiliated group; provided that in any state that imposes income Tax on a unitary basis, such determination for any Straddle Period shall be based on apportionment factors applicable for the businesses and operations of each Group as of the Effective Time notwithstanding any change in apportionment factors resulting from a change in such businesses and operations occurring after the Effective Time. The fact that a member of the Certegy Group or the Equifax Group prepared or filed a return with respect to any Taxes is not relevant in determining whether such Taxes are "attributable" to such member.

(b) The principles of Treasury Regulation Section 1.1502-76(b) as reasonably interpreted and applied by Equifax shall apply in determining whether a Tax Item is attributable to a Tax Period provided that (i) no election shall be made under Treasury Regulation Section 1.1502-76(b)(2)(ii) (relating to ratable allocation of a year's item); and (ii) if the Distribution

-7-

Date does not coincide with the end of a calendar month, the provisions of Treasury Regulation Section 1.1502-76(b)(2)(iii) will be applied to ratably allocate the items (other than extraordinary items) for the month that includes the Distribution Date (or the parties shall consistently use such accounting conventions as the parties shall hereafter agree in writing).

(c) In determining the apportionment of Tax Items between Pre-Distribution Periods and Post-Distribution Periods, any Tax Items relating to the Separation and the Distribution shall be treated as an extraordinary item described in Treasury Regulation Section 1.1502-76(b)(2)(ii)(C) and shall be allocated to Pre-Distribution Periods, and any Taxes related to such items shall be treated under Treasury Regulation Section 1.1502-76(b)(2)(iv) as relating to such extraordinary item and shall be allocated to Pre-Distribution Periods.

2.5 Certain Representations and Covenants.

(a) The parties hereby make the following representations and covenants.

(i) Certegy for itself and on behalf of each member of the Certegy Group represents to Equifax that the information and representations furnished in any Ruling Document (as modified, qualified or elaborated in any subsequent Ruling Documents) are accurate and complete as of the date hereof, to the extent that such information and representations relate to the Certegy Group or the business or activities of such entity.

(ii) Equifax for itself and on behalf of each member of the Equifax Group represents to Certegy that, as of the date hereof, there is no plan or intention to take any action inconsistent with the information and representations furnished in any Ruling Documents (as modified, qualified or elaborated in any subsequent Ruling Documents).

(iii) Each of Certegy and Equifax respectively represents to the other party that, as of the date hereof, it is not aware of any plan or intention by the current shareholders of Equifax to sell, exchange, transfer by gift, or otherwise dispose of any of their stock in, or securities of, Equifax or Certegy subsequent to the Distribution, except as described in any Ruling Document (as modified, qualified or elaborated in any subsequent Ruling Documents).

(iv) Each of Certegy and Equifax respectively covenants to the other party (A) that it will use its best efforts to verify that the foregoing representations made by it in this Section 2.5(a) are accurate and complete as of the Distribution Date and (B) if, after the date hereof, it obtains information indicating, or otherwise becomes aware, that any such representations are or may be inaccurate or incomplete, that it will promptly inform the other party, as the case may be.

(v) Each of Certegy and Equifax respectively covenants to the other party that it shall treat for income Tax purposes all transactions that are the subject of the Initial IRS Ruling consistently therewith.

-8-

(b) Each of Certegy and Equifax covenants to the other party that, except as permitted in Section 2.5(c):

(i) During the two-year period following the Distribution Date, it will not merge or consolidate with any other person, or enter into any transaction that constitutes a liquidation of such entity for federal income tax purposes.

(ii) During the two-year period following the Distribution Date, it will not sell, exchange, distribute or otherwise dispose of assets used in the active conduct of the historic businesses relied upon to satisfy Code section 355(b), if such sale, exchange, distribution, or other disposition would cause Code section 355(b) not to be satisfied if such test were applied immediately after such transaction.

(iii) Following the Distribution, it will, for a minimum of two years, continue the active conduct of the historic businesses relied upon to satisfy Code section 355(b).

(iv) It will not redeem, reacquire or otherwise repurchase stock in a manner contrary to the requirements of Section 4.05 of Revenue Procedure 96-30.

(v) During the two-year period following the Distribution Date, it will not engage in any transaction resulting in the direct or indirect acquisition of such party's stock representing a 50% or greater interest in such party within the meaning of Code section 355(d)(4).

Equifax further covenants that it will prevent any member of the Equifax Group which is a party to the Canadian Restructuring or the U.K. Restructuring (each as defined in Exhibit A) from undertaking any transaction described in Section 2.5(b)(i) through Section 2.5(b)(v) above except as permitted in Section 2.5(c) below. Certegy further covenants that it will prevent any member of the Certegy Group which is a party to the Canadian Restructuring or the U.K. Restructuring from undertaking any transaction described in Section 2.5(b)(i) through Section 2.5(b)(v) above except as permitted in Section 2.5(c) below.

(c) A party may take actions inconsistent with the covenants contained in Section 2.5(b), if prior to taking such action:

(i) Such party obtains an opinion of counsel, which counsel and which opinion are acceptable to the other party in its reasonable discretion, to the effect that such actions should not affect the Federal income Tax treatment of the Separation and the Distribution to the parties and the shareholders of Equifax as set forth in any prior private letter ruling issued by the IRS, it being understood that each party agrees to cooperate with the other party and use its reasonable best efforts to assist the other party in attempting to obtain, as expeditiously as possible, any opinion requested by the other party described in this Section 2.5(c)(i);

-9-

(ii) Equifax obtains a Supplemental Ruling to the effect that such actions will not affect the Federal income Tax treatment of the Separation and the Distribution to the parties and the shareholders of Equifax as set forth in any prior private letter ruling issued by the IRS; or

(iii) Such party obtains the written consent of the other party.

(d) Supplemental Rulings.

(i) Equifax agrees that at the reasonable request of Certegy, Equifax shall cooperate with Certegy and use its reasonable best efforts to seek to obtain, as expeditiously as possible, a Supplemental Ruling or other guidance from a Tax Authority for the purpose of confirming (A) the continuing validity of any ruling (including another Supplemental Ruling) previously issued by the IRS or any other Tax Authority, or (B) compliance on the part of a member of the Certegy Group with its obligations under this Section 2.5. Equifax shall be obligated to seek a Supplemental Ruling requested by Certegy unless it reasonably believes that the relevant Tax Authority would not issue such a ruling. Notwithstanding the foregoing sentence, in no event shall Equifax be obligated to file a request for a Supplemental Ruling unless Certegy represents that (a) it has read the request for the Supplemental Ruling and any materials, appendices and exhibits to be submitted or filed therewith ("Supplemental Ruling Documents") and (B) all information (other than information provided by an external expert) and representations, if any, relating to any member of the Certegy Group contained in the Supplemental Ruling Documents are true, correct and complete in all material respects. Certegy shall reimburse Equifax for all reasonable costs and expenses incurred by Equifax in seeking or obtaining a Supplemental Ruling requested by Certegy. Certegy hereby agrees that Equifax shall have sole and exclusive control over the process of obtaining a Supplemental Ruling, and that only Equifax shall apply for a Supplemental Ruling. Certegy further agrees that it shall not seek any guidance from the IRS or any other Tax Authority concerning the Separation and the Distribution except as set forth in this Section 2.5(d).

(ii) If Equifax determines that it will seek a Supplemental Ruling or other guidance from a Tax Authority after the date of this Agreement: (A) Equifax shall keep Certegy informed in a timely manner of all material actions taken or proposed to be taken in connection therewith; (B) Equifax shall (1) reasonably in advance of the submission of any such Supplemental Ruling Documents, provide Certegy with a draft copy thereof, (2) reasonably consider Certegy's comments on such draft copy, and (3) provide Certegy with a final copy of the Supplemental Ruling Documents; and (C) Equifax shall provide Certegy with notice reasonably in advance of, and Certegy shall have the right to attend, any formally scheduled meetings with the Tax Authority (subject to the approval of the Tax Authority) that relate to such Supplemental Ruling.

ARTICLE III
REFUNDS OF TAXES

3.1 General. Except as provided in Section 3.2, each party shall be entitled to retain or be paid all refunds of Tax received, whether in the form of payment, credit or otherwise, from any Tax Authority with respect to any Tax Returns filed or to be filed by such party or a member of such party's Group in accordance with Article V of this Agreement, provided, however, that Certegy shall be entitled to retain or be paid all such refunds with respect to any Taxes to the extent such Taxes exclusively pertain to property or operations of the Certegy Group. Notwithstanding anything contained in this Section 3.1 to the contrary, Equifax shall be entitled to be paid and to retain, and Certegy shall not be entitled to retain and shall be required to pay over to Equifax, any refunds of Tax received to the extent (i) Equifax indemnified Certegy for the Taxes attributable to such refunds, or (ii) Equifax paid to the Tax Authority the Taxes attributable to such refunds and Equifax has not been indemnified by Certegy.

3.2 Special Refund Claims.

(a) The parties acknowledge that various members of the Equifax Group and the Certegy Group have filed the Special Refund Claims prior to the Effective Date. Notwithstanding any other provision of this Agreement, the parties shall be paid or shall retain any refunds received as a result of the Special Refund Claims as follows:

(i) Until the aggregate amount of Tax refunds received in respect of Special Refund Claims is equal to the product of (A) the balance of general ledger account "Company 25 220-02-06" as of the Effective Time multiplied by (B) 1.8923, Equifax shall be entitled to be paid or to retain all proceeds from Tax refunds received by any party in respect of the Special Refund Claims. Equifax shall be responsible and liable for paying all professional fees and other costs directly related to the pursuit and collection and all Taxes attributable to the receipt of such Tax refunds and shall indemnify and hold harmless Certegy and any member of the Certegy Group against any such fees or Taxes.

(ii) The proceeds of any Tax refunds received by any party in respect of the Special Refund Claims in excess of the amount set forth in Section 3.2(a)(i) shall be shared by the parties in proportion to their respective Special Refund Allocation Ratios. The parties shall be responsible and liable for the cost of all professional fees and other costs and expenses directly related to the pursuit and collection of Special Refund Claims and the collection of Tax refunds (including, without limitation, all Taxes attributable thereto) described in the preceding sentence in proportion to their respective Special Refund Allocation Ratios. Each party shall indemnify the other party for any amounts described in the preceding sentence to the extent that such party (or any member of such party's Group) incurs any such amounts in excess of such party's Special Refund Allocation Ratio.

(b) Each party shall notify the other party promptly of any communication with any Tax Authority relating in whole or in part to any Special Refund Claim. Equifax and

-11-

Certegy shall cooperate with each other to allow each party to pursue the Special Refund Claims, and each party agrees to take all actions reasonably necessary or advisable to pursue the collection of all Tax refunds pursuant to the Special Refund Claims; provided that neither party shall have any obligation to take any action that would cause such party to incur additional Taxes (other than Taxes attributable to the receipt of the proceeds of the refund).

(c) In the event that either Equifax or Certegy elects to withdraw from the pursuit of any Special Refund Claim by giving notice of such withdrawal to the other party, the Withdrawing Party (or any member of the Withdrawing Party's Group) shall thereafter have no right to retain or to be paid any Tax refund pursuant to such Special Refund Claim and shall have no obligation to pay any professional fees or other costs or expenses incurred after the date of such notice related to the pursuit of such Special Refund Claim. The Withdrawing Party shall continue to have the obligations described in Section 3.2(b). The remaining party may continue to pursue such Special Refund Claim, and shall be entitled to retain or to be paid all proceeds from any Tax refund received pursuant to such Special Refund Claim.

ARTICLE IV CARRYBACKS FROM SEPARATE RETURN YEARS

4.1 General. Notwithstanding anything herein to the contrary, with the prior written consent of Equifax, which consent may not be unreasonably withheld, the Certegy Group may elect to carry back to any Taxable Period beginning before the Distribution Date any Tax Item arising in any Taxable Period beginning after the Distribution Date that the Certegy Group may properly elect to carry back for Federal income Tax purposes or combined state Tax purposes to a Consolidated Return. With respect to any such carryback, Equifax agrees to file such claims for refund and other returns as may be required to claim the Tax refunds attributable to such carryback items and to pay promptly after receipt to Certegy the cash amount of any refunds of Taxes, including the cash amount of any interest resulting from the utilization of such Tax Items, after taking into consideration any resulting increase or decrease in the Tax liability of any member of the Equifax Group. To the extent authorized by law, Equifax shall act as collection agent for the Certegy Group with respect to any such refund.

4.2 Review and Expenses. The amount of any carryback by the Certegy Group shall be reviewed and approved (on the basis of Tax information contained in Certegy's Tax Return) by Equifax's certified public accountants as to the amount and validity of such carryback. Certegy agrees to reimburse Equifax for its reasonable Expenses incurred in reviewing, filing and securing any Certegy refund claims hereunder.

4.3 Subsequent Disallowance. In the event that any Tax attribute for which Equifax has made a payment pursuant to Section 4.1 is subsequently reduced or disallowed, Certegy shall indemnify Equifax and hold it harmless from any Tax liability, including interest and penalties, incurred by reason of such reduction or disallowance.

ARTICLE V TAX RETURN PREPARATION

5.1 Consolidated Returns.

(a) Equifax shall prepare and timely file all Consolidated Returns. Certegy shall have a reasonable period under the circumstances to review the 2000 and 2001 Consolidated Returns. The Consolidated Returns shall be prepared and filed by Equifax in compliance with applicable Tax laws and on a basis that is consistent with any Ruling Documents or legal opinion obtained by Equifax in

connection with the Distribution or Separation and, subject to the foregoing, consistent with Equifax's prior Consolidated Returns.

(b) Certegy shall be responsible for preparing all information relating to the Certegy Group necessary for Equifax to prepare and file the Consolidated Returns. Such information shall include the annual federal and state, if any, Tax work preparation package, necessary to enable Equifax to prepare the Consolidated Returns, completed and delivered to Equifax on or before the same deadline imposed upon other Equifax business units. Such information shall be used as the basis for Equifax's preparation of the Consolidated Returns.

(c) Equifax shall not make any election or consent in connection with such Consolidated Returns without the consent of Certegy, which consent shall not be unreasonably withheld, unless (i) such election or consent is not binding on any member of the Certegy Group for any Tax Period; or (ii) Certegy may revoke such elections without the consent of any Tax Authority. Certegy and the Certegy Group agree not to elect to be excluded from any such Consolidated Return.

(d) Certegy and the Certegy Group agree to cooperate with Equifax, at Equifax's expense, in the preparation of any valuation studies or other reports which are appropriate or necessary for the preparation of the Consolidated Returns.

5.2 Other Pre-Distribution Returns.

(a) Equifax shall prepare and timely file all other Tax Returns of any member of the Equifax Group or the Certegy Group for all Tax Periods that are exclusively Pre-Distribution Periods and all Straddle Periods. Notwithstanding the foregoing sentence, Certegy shall prepare and timely file Tax Returns for any Pre-Distribution Period and any Straddle Period if such Tax Returns pertain exclusively to property or operations of the Certegy Group; provided that Equifax, at the reasonable request of Certegy, shall file sales and use tax returns pertaining to the operations of the Certegy Group that are required to be filed on or before September 30, 2001. Notwithstanding anything contained in the previous sentence, Equifax shall continue to file all Tax Returns of the members of the Certegy Group for any Pre-Distribution Period if the Tax Returns for such period are required to be filed on or prior to the Distribution Date. Certegy shall have a reasonable period under the circumstances to review each such Tax Return.

(b) Certegy shall reimburse Equifax the aggregate amount of \$63,000.00 for professional fees paid to Tarpley & Underwood, P.C. attributable to the preparation of 2000 and 2001 Tax returns for the Certegy Group, which amount (without interest) shall be payable in six equal monthly installments beginning on July 31, 2001.

-13-

5.3 Post-Distribution Returns. Certegy shall prepare and timely file all Tax Returns of any member of the Certegy Group for Tax Periods that are exclusively Post-Distribution Periods, and Equifax shall prepare and timely file all Tax Returns of any member of the Equifax Group for Tax Periods that are exclusively Post-Distribution Periods.

5.4 Cooperation; Exchange of Information. Each party shall be responsible for the timely submission to the other party of information of which it has knowledge regarding any Tax Item which may properly be included in any Tax Return to be filed by the other party or any member of the other party's Affiliated Group, and shall provide any and all other information and documentation (including, but not by way of limitation, working papers and schedules) reasonably requested by the other party for use in connection with the preparation and filing of any Tax Returns.

5.5 Payment of 2000 Certegy Tax Liabilities; Certegy Tax Benefits.

(a) Certegy shall pay to Equifax an amount equal to the aggregate amount of Taxes that would be owed by the Certegy Group for the Tax Period consisting of the 2000 calendar year to the extent that such Taxes must be paid by Equifax as part of a Consolidated Return (the "2000 Certegy Tax Liabilities"). Such amount shall be computed in a manner consistent with Section 2.4, and shall be reduced by any Tax Benefit of Equifax attributable to a Certegy Tax Item. Notwithstanding the above, such amount shall not include amounts related to separate returns filed on a combined or unitary basis, except to the extent consistent with the manner in which the Tax liabilities on such returns were allocated in prior years. Payment of the 2000 Certegy Tax Liabilities shall be due on or before the tenth (10/th/) day after receipt by Certegy of a notice including the applicable computations prepared by Equifax in connection with the filing of Equifax's Consolidated Return for the 2000 calendar year.

(b) Equifax shall pay to Certegy any Tax Benefit of Equifax attributable to a Certegy Tax Item, to the extent that such Tax Benefit exceeds the amount of the 2000 Certegy Tax Liabilities. Payment of such amount shall be

due on or before the tenth (10/th/) day after receipt by Certegy of a notice including the applicable computations prepared by Equifax in connection with the filing of Equifa x's Consolidated Return for the 2000 calendar year.

5.6 Payment of 2001 Certegy Estimated Tax Liabilities; Adjustment.

(a) Certegy shall pay to Equifax an amount equal to the estimated aggregate amount of Taxes that would be owed by the Certegy Group for the Tax Period consisting of the 2001 calendar year to the extent that such Taxes must be paid by Equifax as part of a Consolidated Return (the "2001 Certegy Estimated Tax Liabilities"). Such estimated amount shall be computed in a manner consistent with Section 2.4, and shall be reduced by any Tax Benefit of Equifax attributable to a Certegy Tax Item. Notwithstanding the above, such estimated amount shall not include amounts related to separate returns filed on a combined or unitary basis, except to the extent consistent with the manner in which the Tax liabilities on such returns were allocated in prior years. Payment of the 2001 Certegy Estimated Tax Liabilities shall be due on or before the tenth (10/th/) day after receipt by Certegy of a notice including the applicable computations prepared by Equifax.

-14-

(b) Upon the filing of the Consolidated Return for the Equifax Group's Tax Period ending December 31, 2001, the 2001 Certegy Estimated Tax Liabilities previously computed shall be restated and adjusted by Equifax based upon information then available. An adjusting payment shall be made by Equifax or Certegy as shall be required by any restatement or adjustment of the 2001 Certegy Estimated Tax Liabilities. Such payment shall be due on or before the tenth (10th) day after receipt by Certegy of a notice including the applicable computations prepared by Equifax.

(c) Equifax shall pay to Certegy any Tax Benefit of Equifax attributable to a Certegy Tax Item, to the extent that such Tax Benefit exceeds the amount of the 2001 Certegy Tax Liabilities. Payment of such amount shall be due on or before the tenth (10th) day after receipt by Certegy of a notice including the applicable computations prepared by Equifax in connection with the filing of Equifax's Consolidated Return for the 2001 calendar year.

ARTICLE VI
TAX CONTROVERSIES AND RECORDS

6.1 Tax Controversies.

(a) Each of Certegy and Equifax shall have full responsibility and discretion in handling, settling, or contesting any Tax Controversy involving a Tax for which such party is liable pursuant to Article II of this Agreement. If a Tax Controversy proceeding involves both (i) one or more issues that would result in Taxes for which Equifax is liable under this Agreement and (ii) one or more issues that would result in Taxes for which Certegy is liable under this Agreement, then Equifax and Certegy shall cooperate with each other to allow each party to conduct the Tax Controversy with respect to those issues that would result in Taxes for which such party is liable. Furthermore, Equifax may participate in any Tax Controversy with respect to Restructuring Taxes regardless of whether it has liability or indemnification obligations with respect to such Taxes under this Agreement.

(b) The party responsible for any Tax Controversy shall use all reasonable efforts (taking into consideration all relevant facts and circumstances known to the party) to resist any deficiency assertions by any Tax Authority regardless of which party is ultimately responsible for any such Tax under this Agreement.

(c) Equifax shall notify Certegy promptly of any communication with the IRS or other Tax Authority relating in whole or in part to any Certegy Issue.

(i) Certegy shall have 30 days after receipt of such notice from Equifax within which to object to the proposed adjustment relating to a Certegy Issue (that is not an Equifax Issue). If Certegy does not notify Equifax within such 30 day period that it objects to the proposed adjustment, then subsections 6.1(c) (ii) through 6.1(c) (v) below shall not apply, and Equifax shall have exclusive control over all stages of the Tax Controversy, including full authority to determine whether and in what manner to contest or compromise the issue, unless and until Certegy so notifies Equifax.

-15-

(ii) If Certegy notifies Equifax that it objects to the proposed adjustment relating to a Certegy Issue (that is not an Equifax Issue), then Equifax shall not thereafter consent to the adjustment or compromise of such Certegy Issue without the consent of Certegy, but shall cooperate with Certegy to resolve the Certegy Issue on a basis acceptable to Certegy. Prior to the issuance of a notice of proposed adjustment or similar stage in the proceedings, however,

Equifax shall be responsible for the conduct of the audit, including matters pertaining to such Certegy Issue. Equifax shall notify Certegy in advance of any conferences, meetings, and proceedings pertaining to the audit and, at its own expense, Certegy shall have the right to attend all such proceedings with any Tax Authority, the subject matter of which is or includes such Certegy Issue.

(iii) Upon the issuance of a notice of proposed adjustment or similar stage in the proceedings, Certegy shall assume the conduct of all further proceedings, with counsel selected by it, at Certegy's sole expense, insofar as the proceedings relate to a Certegy Issue (that is not an Equifax Issue), and thereafter Certegy and Equifax shall jointly be responsible for the conduct of proceedings to contest such Certegy Issue.

(iv) In the event that Equifax receives a notice of deficiency from the IRS, or a similar notice from any other Tax Authority, and such notice relates exclusively to one or more Certegy Issues (none of which are Equifax Issues) and does not relate to an Equifax Issue then:

(A) upon receiving a written request from Certegy, given no later than a date reasonably necessary to permit preparation and timely filing of a petition in the United States Tax Court for redetermination of the deficiency, or a court of similar jurisdiction with respect to Taxes imposed by any other Tax Authority, Equifax shall timely file such petition (at Certegy's sole expense); or

(B) If (1) Certegy does not request Equifax to file a petition for redetermination of the deficiency pursuant to subsection 6.1(c)(iv)(A) hereof, (2) Certegy requests that Equifax file a claim for refund, and (3) Certegy provides Equifax with sufficient funds to pay the deficiency relating to the Certegy Issue, then Equifax (at Certegy's sole expense) shall file a claim for refund thereof and, if the claim is denied, bring an action in a court of competent jurisdiction seeking such refund.

(C) In the event that a judgment of the United States Tax Court or other court of competent jurisdiction results in an adverse determination with respect to the Certegy Issue, then Certegy shall have the right to cause Equifax to appeal from such adverse determination at Certegy's sole expense.

(D) Certegy and its representatives, at Certegy's sole expense, shall be entitled to the extent permitted by law to participate in (1) all conferences, meetings, or proceedings with any Tax Authority, the subject matter of which is a Certegy Issue (that is not an Equifax Issue), and (2) all appearances

-16-

before any court, the subject matter of which is a Certegy Issue (that is not an Equifax Issue). The right to participate referred to in this subsection 6.1(c)(iv)(D) hereof shall include the submission and content of documentation, memoranda of fact and law and briefs, the conduct of oral arguments or presentations, the selection of witnesses, and the negotiation of stipulations of fact with respect to a Certegy Issue (that is not an Equifax Issue).

(v) If the proposed adjustment relating to a Certegy Issue is also an Equifax Issue (or if the proposed adjustment relates solely to an Equifax Issue that is not a Certegy Issue), then Equifax shall be fully responsible for the conduct of the Tax Controversy, including matters pertaining to any Certegy Issue, but Equifax shall use reasonable efforts to involve Certegy in the conduct of the Tax Controversy insofar as it relates to any Certegy Issue. Equifax shall notify Certegy in advance of any such proceedings and, at its own expense, Certegy may attend all conferences, meetings, or proceedings with any Tax Authority, the subject matter of which is or includes any Certegy Issue. Certegy shall use all reasonable efforts to assist Equifax in resisting any deficiency assertions by any Tax Authority relating to any such Certegy Issue.

(d) Certegy shall notify Equifax promptly of any communication with the IRS or other Tax Authority relating in whole or in part to any Equifax Issue.

(i) Equifax shall have 30 days after receipt of such notice from Certegy within which to object to the proposed adjustment relating to an Equifax Issue (that is not a Certegy Issue). If Equifax does not notify Certegy within such 30 day period that it objects to the proposed adjustment, then subsections 6.1(d)(ii) through 6.1(d)(v) below shall not apply, and Certegy shall have exclusive control over all stages of the Tax Controversy, including full authority to determine whether and in what manner to contest or compromise the

issue, unless and until Equifax so notifies Certegy.

(ii) If Equifax notifies Certegy that it objects to the proposed adjustment relating to an Equifax Issue (that is not a Certegy Issue), then Certegy shall not thereafter consent to the adjustment or compromise of such Equifax Issue without the consent of Equifax, but shall cooperate with Equifax to resolve the Equifax Issue on a basis acceptable to Equifax. Prior to the issuance of a notice of proposed adjustment or similar stage in the proceedings, however, Certegy shall be responsible for the conduct of the audit, including matters pertaining to such Equifax Issue. Certegy shall notify Equifax in advance of any conferences, meetings, and proceedings pertaining to the audit and, at its own expense, Equifax shall have the right to attend all such proceedings with any Tax Authority, the subject matter of which is or includes such Equifax Issue.

(iii) Upon the issuance of a notice of proposed adjustment or similar stage in the proceedings, Equifax shall assume the conduct of all further proceedings, with counsel selected by it, at Equifax's sole expense, insofar as the proceedings relate to an Equifax Issue (that is not a Certegy Issue), and thereafter

-17-

Certegy and Equifax shall jointly be responsible for the conduct of proceedings to contest such Equifax Issue.

(iv) In the event that Certegy receives a notice of deficiency from the IRS, or a similar notice from any other Tax Authority, and such notice relates exclusively to one or more Equifax Issues (none of which are Certegy Issues) and does not relate to a Certegy Issue then:

(A) upon receiving a written request from Equifax, given no later than a date reasonably necessary to permit preparation and timely filing of a petition in the United States Tax Court for redetermination of the deficiency, or a court of similar jurisdiction with respect to Taxes imposed by any other Tax Authority, Certegy shall timely file such petition (at Equifax's sole expense); or

(B) If (1) Equifax does not request Certegy to file a petition for redetermination of the deficiency pursuant to subsection 6.1(d)(iv)(A) hereof, (2) Equifax requests that Certegy file a claim for refund, and (3) Equifax provides Certegy with sufficient funds to pay the deficiency relating to the Equifax Issue, then Certegy (at Equifax's sole expense) shall file a claim for refund thereof and, if the claim is denied, bring an action in a court of competent jurisdiction seeking such refund.

(C) In the event that a judgment of the United States Tax Court or other court of competent jurisdiction results in an adverse determination with respect to the Equifax Issue, then Equifax shall have the right to cause Certegy to appeal from such adverse determination at Equifax's sole expense.

(D) Equifax and its representatives, at Equifax's sole expense, shall be entitled to the extent permitted by law to participate in (1) all conferences, meetings, or proceedings with any Tax Authority, the subject matter of which is an Equifax Issue (that is not a Certegy Issue), and (2) all appearances before any court, the subject matter of which is an Equifax Issue (that is not a Certegy Issue). The right to participate referred to in this subsection 6.1(d)(iv)(D) shall include the submission and content of documentation, memoranda of fact and law and briefs, the conduct of oral arguments or presentations, the selection of witnesses, and the negotiation of stipulations of fact with respect to an Equifax Issue (that is not a Certegy Issue).

(v) If the proposed adjustment relating to an Equifax Issue is also a Certegy Issue (or if the proposed adjustment relates solely to a Certegy Issue that is not an Equifax Issue), then Certegy shall be fully responsible for the conduct of the Tax Controversy, including matters pertaining to any Equifax Issue, but Certegy shall use reasonable efforts to involve Equifax in the conduct of the Tax Controversy insofar as it relates to any Equifax Issue. Certegy shall notify Equifax in advance of any such proceedings and, at its own expense, Equifax may attend all conferences, meetings, or proceedings with any Tax Authority, the subject matter of which is or includes any Equifax Issue. Certegy shall use all

-18-

reasonable efforts to assist Equifax in resisting any deficiency assertions by any Tax Authority relating to any such Equifax Issue.

(a) Equifax and Certegy agree to afford full cooperation to one another and to their respective representatives, if any, in any Tax Controversy involving:

(i) any Tax Return filed or required to be filed by or for any member of the Equifax Group or the Certegy Group for any Pre-Distribution Period, or

(ii) any item or issue affecting Equifax's or Certegy's potential liability hereunder.

(b) Such cooperation shall include, but not by way of limitation:

(i) preparing responses to information requests by any Tax Authority;

(ii) making available books, records and other documentation (including, but not by way of limitation, working papers and schedules) relevant to such proceeding, and systems support for documentation furnished in electronic form;

(iii) making directors, officers, or employees available to appear in person for interview or for testimony;

(iv) making employees available on a mutually convenient basis to provide additional information and explanation of materials provided hereunder;

(v) executing powers of attorney, tax information authorizations and any other necessary or appropriate authorizations;

(vi) executing agreements with the Tax Authority or other documents reasonably necessary or appropriate for the settlement or pursuit of the contest of such issue; and

(vii) doing whatever is reasonable under the circumstances to assist the other party in proving that a transaction on or after the Distribution Date does not give rise to Additional Restructuring Taxes.

6.3 Record Retention. The parties, on behalf of themselves and the members of their respective Affiliated Groups, agree to retain all books, records, returns, schedules, documents and all material papers or relevant items of information for periods prior to the Distribution Date for the later of (a) seven (7) years or (b) the full period of the applicable statute of limitations, including any extensions thereof. If, under legislation enacted after the date of this Agreement, the statute of limitations with respect to a transaction does not begin to run until the IRS or other Tax Authority is notified of the transaction, then the statute of limitations for

-19-

purposes of clause (b) of this Section 6.3 shall also not begin to run until such notification is given.

ARTICLE VII PAYMENTS

7.1 Payments in General. Any amount required to be paid by one party to the other pursuant to this Agreement (other than the payments described in Sections 5.5 and 5.6 and subsection 6.1(c)(iv)(B) and 6.1(d)(iv)(B)) shall be paid in immediately available funds within thirty (30) days after written demand therefor from the other party given after a Final Determination of the amount thereof.

7.2 Treatment of Payments. In absence of any change in Tax treatment under the Code or other applicable Tax law, (a) any payments made pursuant to this Agreement by Certegy to Equifax shall be reported for Tax purposes by the parties as a distribution from Certegy to Equifax occurring on the Distribution Date immediately before the Distribution; and (b) any payments made pursuant to this Agreement by Equifax to Certegy shall be reported for Tax purposes by the parties as a contribution to the capital of Certegy by Equifax occurring on the Distribution Date immediately before the Distribution.

7.3 Interest on Late Payments. Any amount payable under this Agreement by one party to another party shall, if not paid within ten (10) business days after the due date specified in this Agreement, bear interest from such due date until the date paid at the applicable Federal "short term rate" as defined in section 6621 of the Code in effect on the due date.

7.4 Notice. Equifax and Certegy shall give each other prompt notice of any payment that may be due under this Agreement.

7.5 Tax Items. Except to the extent already provided for in this

Agreement, the amount of any indemnification payment required hereunder shall be reduced to take into account the Tax Benefit, if any, allowable to the indemnified party resulting from the event giving rise to such indemnification payment and shall be increased to take into account additional Taxes, if any, incurred by the indemnified party resulting from the receipt of such indemnification payment and any additional payment required by this section. The parties will cooperate with each other in good faith to determine the amounts described in this section.

ARTICLE VIII

Effective as of any date before the Distribution Date, a member of the Certegey Group not described in the preceding sentence may, at its request and with the consent of Equifax (which consent shall not be unreasonably withheld), become a Participating Company in any or all of the Equifax Plans in which Transferred Individuals participate.

(b) Equifax's General Obligations as Plan Sponsor

Equifax shall continue through the Close of the Distribution Date to administer, or cause to be administered, in accordance with their terms and applicable law, the Equifax Plans and

-11-

Equifax (or its designee) shall have the sole discretion and authority to interpret the Equifax Plans through such date and during any subsequent period.

(c) Certegey's General Obligations as Participating Company

Certegey shall perform with respect to its participation in the Equifax Plans, and shall cause each other member of the Certegey Group that is a Participating Company in any Equifax Plan to perform the duties of a Participating Company as set forth in such Plans, and any written or oral procedures adopted pursuant thereto, including: (i) assisting in the administration of claims, to the extent requested by the claims administrator or plan administrator of the applicable Equifax Plan, (ii) cooperating fully with Equifax Plan auditors, benefit personnel and benefit vendors, (iii) preserving the confidentiality of all financial and business arrangements Equifax has or

may have with any vendors, claims administrators, trustees or any other entity or individual with whom Equifax has entered into an agreement relating to the Equifax Plans, and (iv) preserving the confidentiality of participant health information (including health information in relation to leaves under the Family and Medical Leave Act of 1993, as amended).

(d) Termination of Participating Company Status

Unless otherwise provided in this Agreement, effective as of the Close of the Distribution Date, Certegy and each member of the Certegy Group shall cease to be a Participating Company in the Equifax Plans.

2.03 Establishment of The Certegy Plans

Unless otherwise provided in this Agreement, either before the Close of the Distribution Date or effective Immediately after the Distribution Date, Certegy shall adopt, or shall cause to be adopted, the Certegy Pension Plan, the Certegy Savings Plan, the Certegy Health and Welfare Plans listed in Appendix B, and the Certegy Executive Programs listed in Appendix A for the benefit of Transferred Individuals and other current, future, and former employees of the Certegy Group. The foregoing Certegy Plans as in effect Immediately after the Distribution Date shall be substantially identical in all Material Features to the corresponding Equifax Plans as in effect as of the Close of the Distribution Date. Except for the Certegy Savings Plan and VEBA, any Certegy Plans that are adopted by Certegy before the Close of the Distribution Date shall be adopted to become effective Immediately after the Distribution Date. Notwithstanding the above, Certegy shall not be required to adopt any stock benefits trust or rabbi trust related to any Equifax Executive Program or Health and Welfare Plan (including any program or plan maintained by Equifax that is not listed in Appendix A) other than the Executive Life Trust.

2.04 Terms of Participation by Transferred Individuals

The Certegy Plans shall be, with respect to Transferred Individuals, in all respects the successors in interest to, shall recognize all rights and entitlements as of the Close of the Distribution Date under, and shall not provide benefits that duplicate benefits provided by, the corresponding Equifax Plans for such Transferred Individuals. Equifax and Certegy shall agree on methods and procedures, including amending the respective Plan documents, to prevent Transferred Individuals from receiving duplicative benefits from the Equifax Plans and the Certegy Plans. Certegy shall not permit any Certegy Plan to commence benefit payments to

-12-

Transferred Individuals until it receives notice from Equifax regarding the date on which payments under the corresponding Equifax Plan shall cease. With respect to Transferred Individuals, each Certegy Plan shall provide that all service, all compensation, and all other benefit-affecting determinations that, as of the Close of the Distribution Date, were recognized under the corresponding Equifax Plan (for periods immediately before the Close of the Distribution Date) shall, as of Immediately after the Distribution Date, receive full recognition, credit, and validity and be taken into account under such Certegy Plan to the same extent as if such items originally occurred under such Certegy Plan, except to the extent that duplication of benefits would result. The provisions of this Agreement for the transfer of assets, if any, from certain trusts relating to Equifax Plans (including Foreign Plans) to the corresponding trusts relating to Certegy Plans (including Foreign Plans) are based upon the understanding and agreement of the parties that each such Certegy Plan will assume all Liabilities of the Transferred Individuals and corresponding Equifax Plan to or relating to Transferred Individuals, as provided for herein. If there are any legal or other authoritative reasons that any such Liabilities are not effectively assumed by the appropriate Certegy Plan, then the amount of assets transferred to the trust relating to such Certegy Plan from the trust relating to the corresponding Equifax Plan shall be recomputed, ab initio, as set forth in this Agreement but

-- -----

taking into account the retention of such Liabilities by such Equifax Plan, and assets shall be transferred by the trust relating to such Certegy Plan to the trust relating to such Equifax Plan so as to place each such trust in the position it would have been in, had the initial asset transfer been made in accordance with such recomputed amount of assets.

Article III Defined Benefit Plans

3.01 Establishment of Mirror Pension Trusts

Effective Immediately after the Distribution Date, Certegy shall establish, or cause to be established, the Certegy Pension Trust which shall be qualified under Code (S) 401(a), be exempt from taxation under Code (S) 501(a)(1), and form part of the Certegy Pension Plan. Certegy shall, prior to the end of the remedial amendment period for the Certegy Pension Plan, apply for a determination letter from the Internal Revenue Service that shall provide that

the Certegy Pension Plan and the Certegy Pension Trust satisfy the requirements for qualification under Code sections 401(a) and 501(a), and Certegy shall take all actions necessary or appropriate to obtain such letter.

3.02 Assumption of Pension Plan and Liabilities and Allocation of Interests in the Equifax Pension Trust

(a) Assumption of Liabilities by Certegy Pension Plan

Immediately after the Pension Plan Spinoff Date all Liabilities to or relating to Transferred Individuals under the Equifax Pension Plan shall cease to be Liabilities of the Equifax Pension Plan, and shall be assumed in full and in all respects by the Certegy Pension Plan. If the Pension Plan Spinoff Date does not occur Immediately after the Distribution Date, accruals for Transferred Individuals for the period beginning Immediately after the Distribution Date shall occur under the Certegy Pension Plan, and the benefits paid to Transferred Individuals under the Certegy Pension Plan for periods prior to the Pension Plan Spinoff Date shall be reduced by benefits paid to them under the Equifax Pension Plan. No pension benefits with respect to such Transferred Individuals shall commence from the Equifax Pension Plan while a Transferred Individual is employed by the Certegy Group.

(b) Asset Allocations and Transfers

(1) Determination of Asset Transfer Date and Allocation

(A) It is expected that assets will be transferred from the Equifax Pension Trust to the Certegy Pension Trust effective as of the date described in this subparagraph (A) (the "Pension Plan Spinoff Date"). The asset transfer is scheduled to occur Immediately after the Distribution Date (or on such rescheduled date as may be separately agreed to), provided that the assets of the Equifax Pension Plan on such date are at least 106% of its Plan Termination Liability on such date. If the assets of the Equifax Pension Plan are not at least 106% of its Plan Termination Liability on such date, either Equifax or Certegy may elect not to proceed with the transfer as of the scheduled date. If the transfer of assets does not occur on the scheduled date, Equifax and Certegy will mutually reschedule the transfer date; provided,

however, such rescheduled date must occur (i) not later than December 31, 2001,
- -----

and (ii) on a date when the assets of the Equifax Pension Plan are at least 106% of its Plan Termination Liability (or another percentage of such liability that is agreed to by Equifax and Certegy). If the assets of the Equifax Pension Plan are not at least equal to the applicable minimum percentage of its Plan Termination Liability on such date, either Equifax or Certegy may elect not to proceed with the transfer as of the rescheduled date.

-14-

(B) If a Pension Plan Spinoff Date occurs in accordance with the conditions described in subparagraph (A) above, then effective as of the Pension Plan Spinoff Date and pursuant to the procedures described in this Section 3.02(b), Equifax shall transfer from the Equifax Pension Trust an amount of assets equal to the Plan Termination Liability with respect to Transferred Individuals under the Equifax Pension Plan to the Certegy Pension Trust. In addition, Equifax shall also transfer an amount of assets determined in the sole discretion of Equifax that is in addition to the amount of assets determined in the prior sentence; provided, however, Equifax shall not transfer any such

additional amount of assets to the extent, determined as of immediately after the Pension Plan Spinoff Date, such transfer would cause (i) the Equifax Pension Plan to be funded at less than 101% of its Plan Termination Liability or (ii) the Certegy Pension Plan to be funded at more than 250% of its Plan Termination Liability.

(2) Transfer of Assets to Certegy Pension Trusts

(A) Effective as soon as practicable after the Pension Plan Spinoff Date, Equifax shall cause to be transferred from the Equifax Pension Trust to the Certegy Pension Trust an initial amount of assets in cash (the "Initial Asset Transfer"). The amount of the Initial Asset Transfer shall not be less than Equifax's estimate, determined by Equifax in its sole discretion, of the cash required by the Certegy Pension Plan to make payment of benefits and appropriate expenses from the Certegy Pension Trust in accordance with the Plan from the time of the Initial Asset Transfer to the time of the Bulk Asset Transfer, described below. In the event Certegy notifies Equifax that the Initial Asset Transfer provides insufficient cash for this purpose, or if Equifax decides to provide additional funds, Equifax will cause to be transferred other amounts of cash or marketable assets (a "Subsequent Asset Transfer").

(B) As soon as practicable after the calculation of each Plan's interest in the Equifax Pension Trust, but in no event before Equifax (or its authorized representative) determines that the calculation and the data on which it is based are acceptably complete, accurate, and consistent, Equifax will

cause the appropriate amount of assets to be transferred from the Equifax Pension Trust to the Certegy Pension Trust (the "Bulk Asset Transfer"). The amount of assets to be transferred in the Bulk Asset Transfer shall be equal to the interests of the Certegy Pension Plan determined pursuant to Section 3.02(b)(1), adjusted by Equifax as of the date of the Bulk Asset Transfer to the extent necessary to reflect (i) any additional pension contributions that are specifically designated by Equifax for the Certegy Pension Plan, (ii) a proportionate share of actual investment gains and losses experienced in the Equifax Pension Trust, (iii) benefit payments and expenses allocable to the Certegy Plan, and (iv) the Initial Asset Transfer, Subsequent Asset Transfers, data corrections, enhancements, and computational refinements from immediately after the Pension Plan Spinoff Date through the date of the actual transfer of such assets. If circumstances permit and if agreed to by Equifax and Certegy, the parties may perform the Bulk Asset Transfer at the same time as the Initial Asset Transfer or any Subsequent Asset Transfers.

(3) Transfer of Specific Assets in Bulk Asset Transfer

The specific assets to be transferred from the Equifax Pension Trust to the Certegy Pension Trust in the Bulk Asset Transfer shall be made up of cash and marketable assets selected by Equifax consistent with the objective of enabling Certegy to implement prospectively an

-15-

investment program for the Certegy Pension Trust, but in no event shall Equifax or the Equifax Pension Trust be required to incur unreasonable transaction costs in the process of transferring assets and subsequently re-balancing the investment portfolio held by the Equifax Pension Trust. Furthermore, Equifax shall not be required to transfer any specific asset or any portion of any specific fund or investment manager account, and Equifax shall not transfer the Venture Capital Assets, as defined in subsection (c) below, and any amount of Certegy Common Stock that would place the Certegy Pension Plan in violation of the employer stock acquisition limitations of ERISA section 407; provided,

however, that Equifax shall transfer interests in group annuity contracts held

by the Equifax Pension Trust to the extent such group annuity contracts (in whole or in part, as the case may be) specifically cover the accrued pension benefits of Transferred Individuals. In transferring specific assets, Equifax makes no representation as to the appropriateness of the resulting asset allocation or investment performance resulting from the specific assets transferred. By accepting the assets transferred, Certegy acknowledges that it and not Equifax is serving as the fiduciary for the Certegy Pension Trust with respect to the determination and actual transfer of assets from the Equifax Pension Trust and that, acting as fiduciary for the Certegy Pension Plan, Certegy further acknowledges that it is able to change the asset allocation as it deems appropriate at any time. Once the assets have been transferred to and received by the Certegy Pension Trust, such event shall fully and finally foreclose any issue or matter of any nature whatsoever by Certegy, the Certegy Pension Trust, the Certegy Pension Plan, or any other trust(s) related to such Plan against Equifax, the Equifax Pension Trust, the Equifax Pension Plan, or any other trust(s) related to such Plan with respect to the condition, identity, or value of such assets and Certegy shall fully indemnify Equifax, its employees, officers, directors, and the Equifax Pension Plan, the Equifax Pension Trust, and any trustees or fiduciaries thereof regarding any Liability or legal or regulatory issue of any nature with respect thereto.

(c) Valuation of Venture Capital Assets

For all purposes under this Article III, the assets of the Equifax Pension Trust that are invested in a portfolio of venture capital funds (collectively, the "Venture Capital Assets") shall be valued based upon the most recent quarter-end value reported to the Equifax Pension Plan by the venture capital funds, provided that Equifax determines that such valuation remains sufficiently current to be a permissible valuation for purposes of Code section 414(1).

(d) Pension Plan Transition Period

If the Pension Plan Spinoff Date does not occur Immediately after the Distribution Date, there shall be a transition period (the "Pension Plan Transition Period") during which Transferred Individuals shall be participants in both the Equifax Pension Plan and the Certegy Pension Plan. The Pension Plan Transition Period shall begin Immediately after the Distribution Date and shall end effective as of the Pension Plan Spinoff Date. During the Pension Plan Transition Period, Equifax shall retain all assets and Liabilities with respect to Transferred Individuals under the Equifax Pension Plan and the Certegy Pension Plan shall provide equivalent pension benefits (taking into account service and compensation with Equifax) with an offset for any benefits provided under the Equifax Pension Plan.

-16-

(e) Negotiation if There Is No Pension Plan Spinoff Date

In the event that Equifax is unable to select a Pension Plan Spinoff Date under the conditions described in Section 3.02(b)(1), Equifax and Certegy shall enter negotiations as soon as practicable after January 1, 2002 on how to structure the Equifax Pension Plan and the Certegy Pension Plan with respect to Transferred Individuals. During the period that negotiations are ongoing and during any period that Equifax and Certegy are unable to reach an agreement that is mutually satisfactory to Equifax and Certegy respecting such matters, the Pension Plan Transition Period shall be continued as provided in Section 3.02(d).

(f) Allocation of Code Section 401(h) Opportunity

For purposes of allocating between the Equifax and Certegy Pension Plans the Code Section 401(h) contribution limitation that is derived from (i) contributions made to the Equifax Pension Plan for periods before the Close of the Distribution Date, and (ii) any contribution described in Section 3.02(b)(2)(B)(i), the Certegy Pension Plan shall be entitled to 8.3% of the aggregate dollar amount of the contribution limitation derived from such contributions. Such percentage reflects the expected postretirement benefit obligations that Certegy is assuming under this Agreement as compared to the aggregate expected postretirement benefit obligations of both Equifax and Certegy as of the Close of the Distribution Date.

3.03 Governmental Compliance

Notwithstanding any provision of this Agreement to the contrary, in the event that at any time any Governmental Authority challenges or seeks to prevent the transfer of assets and Liabilities provided for in Section 3.02, (i) Equifax may, in its sole discretion, retain all assets and Liabilities with respect to Transferred Individuals under the Equifax Pension Plan, and require Certegy to provide equivalent benefits under plans maintained by it with an offset for any benefits to be provided under the Equifax Pension Plan, or (ii) reach such other agreement as may be mutually satisfactory to Equifax and Certegy respecting the matters covered by this Article III. If Equifax, in its sole discretion, retains any Liability of any Transferred Individual under the Equifax Pension Plan, Certegy shall fully reimburse Equifax for the full cash costs of, including any administrative expenses relating to, any Liabilities that it has not otherwise agreed to assume that result from the intervention of the Governmental Authority.

-17-

Article IV Defined Contribution Plans

4.01 Savings Plan

(a) Savings Plan Trust

Prior to the Distribution Date, Certegy shall establish, or cause to be established, a trust qualified under Code (S) 401(a), which shall be exempt from taxation under Code (S) 501(a)(1), and form part of the Certegy Savings Plan. Certegy shall, prior to the end of the remedial amendment period for the Certegy Savings Plan, apply for a determination letter from the Internal Revenue Service that shall provide that the Certegy Savings Plan and its related trust satisfy the requirements for qualification under Code sections 401(a) and 501(a), and Certegy shall take all actions necessary or appropriate to obtain such letter.

(b) Savings Plan Participation

Effective Immediately after the Distribution Date, the Certegy Savings Plan shall assume and be solely responsible for all ongoing rights of Transferred Individuals for future participation (including the right to make contributions through payroll deductions) in the Certegy Savings Plan. Certegy shall cause the Certegy Savings Plan to recognize and maintain all contribution and investment elections made by Transferred Individuals under the Equifax Savings Plan as such elections were last in effect during the period immediately prior to the Distribution Date and shall apply such elections under the Certegy Savings Plan for the remainder of the period or periods for which such elections are by their terms applicable (subject in all cases to applicable election change rights of the Transferred Individuals).

(c) Assumption of Liabilities and Transfer of Assets

Effective on a date selected by Equifax (the "Savings Plan Transfer Date") and except as provided in the last sentence of this subsection: (i) the Certegy Savings Plan shall assume and be solely responsible for all Liabilities to or relating to Transferred Individuals under the Equifax Savings Plan; and (ii) Equifax shall cause the accounts of the Transferred Individuals under the Equifax Savings Plan which are held by its related trust as of the Savings Plan Transfer Date to be transferred to the Certegy Savings Plan and its related trust, and Certegy shall cause such transferred accounts to be accepted by such plan and trust. Effective no later than the Savings Plan Transfer Date, Certegy shall use its reasonable best efforts to enter into such agreements to

accomplish such assumptions and transfers and the maintenance of the necessary participant records. As soon as practicable after the Savings Plan Transfer Date, assets related to the accounts of all Transferred Individuals shall be transferred from the Equifax Savings Plan to the Certegy Savings Plan in cash or in kind, at Equifax's discretion, and, to the extent practicable, shall be invested in investment options in the Certegy Savings Plan which are comparable to the investment options in which such accounts were invested immediately before the Savings Plan Transfer Date. Until such transfer (but subject to reasonable blackout requirements and subject to subsection (d) below), Transferred Individuals shall be able to exercise customary investment discretion over their accounts in the Equifax Savings Plan. No benefits with respect to a Transferred Individual from the Equifax Savings Plan shall be paid while he or she is employed by the Certegy Group after the Savings Plan Transfer Date.

-18-

(d) Specific Stock Funds in the Equifax and Certegy Savings Plan

Effective Immediately after the Distribution Date, a Certegy Common Stock fund shall be added as an investment option to the Equifax Savings Plan, and the Certegy Savings Plan shall provide for both an Equifax Common Stock fund and a Certegy Common Stock fund as investment options. The Certegy Common Stock fund in the Equifax Savings Plan and the Equifax Common Stock fund in the Certegy Savings Plan are each referred to as a "Non-Employer Stock Fund" with respect to the applicable Plan. Unless Equifax and Certegy agree otherwise, each Non-Employer Stock Fund shall be maintained under the respective Plan through December 31, 2002. After such date, Equifax and Certegy agree to cooperate with each other with respect to the disposition of the stock when either party decides to liquidate or otherwise terminate the Non-Employer Stock Fund in its Savings Plan. In the absence of any agreement regarding such liquidation, the liquidation of the Non-Employer Stock Fund shall be made in a ratable manner over a period of six months. Furthermore, at any time that Equifax or Certegy decides to sell or otherwise dispose of any amount of shares in their Non-Employer Stock Fund, the selling party shall follow the procedures of Section 4.02 (except to the extent waived in writing by an authorized representative of the other party). The Equifax Savings Plan and the Certegy Savings Plan shall each provide that, after the Distribution Date, no new contributions may be invested in, and no amounts may be transferred from other investment options to the Non-Employer Stock Fund under the respective Plan. To the extent the parties determine it is necessary to preserve the tax status of the Distribution under the Code, the Equifax Savings Plan shall provide that no earnings or dividends under its Non-Employer Stock Fund may be reinvested in Certegy Common Stock and the Certegy Savings Plan shall provide that no earnings or dividends under its Non-Employer Stock Fund may be reinvested in Equifax Common Stock; provided, however, this requirement shall not prohibit such

earnings and dividends from remaining in the applicable Non-Employer Stock Fund as cash or as an amount that is invested in any non-stock investment in such fund.

(e) Miscellaneous Funds

In the event that Equifax determines that it is not feasible or appropriate to transfer in-kind the assets of a particular investment fund from the Equifax Savings Plan to the Certegy Savings Plan, then the value of the assets in the affected investment, as of the close of business on the Savings Plan Transfer Date (plus actual earnings or losses attributable to such amount from the Savings Plan Transfer Date to the date the assets are actually transferred) shall be transferred in cash to the Certegy Savings Plan and Certegy shall invest such cash in its Savings Plan and trust in the same manner and proportion as it was invested in the Equifax Savings Plan or otherwise at the direction of the affected participant.

(f) Transfer of Assets Concerning Matching Contribution Account

The transfer of assets to the Certegy Savings Plan shall include the transfer of a portion of an account, which holds shares of Equifax common stock that were intended to be used to fund the Equifax Savings Plan's matching contributions for the 2001 plan year (the "Special Account"). The apportionment of the Special Account between the Equifax Savings Plan and the Certegy Savings Plan shall be determined as follows as of the Savings Plan Transfer Date. The portion of the Special Account transferred to the Certegy Savings Plan shall be determined by

-19-

multiplying three components of the Special Account (determined immediately prior to the Savings Plan Transfer Date) by a fraction, the numerator of which shall be the total elective deferrals made by Transferred Individuals during the portion of the 2001 calendar year ending immediately prior to the Savings Plan Transfer Date and the denominator of which shall be the total elective deferrals made by all participants in the Equifax Savings Plan during this portion of the 2001 calendar year. The three components are (1) shares of Equifax common stock in the Special Account, (2) shares of Certegy Common Stock in the Special

Account (if any), and (3) cash. The product of each such component, after it has been multiplied by the above fraction, shall be the portion transferred to the Certegy Savings Plan. With respect to components (1) and (2), cash shall be transferred in lieu of a fractional share.

4.02 Non-Employer Stock Fund Procedures

(a) Application of Procedures

Whenever Equifax or Certegy (the "Selling Party") desires to sell or otherwise dispose of any or all of the shares of stock of the other party (the "Notice Party") in their respective Non-Employer Stock Funds, the Selling Party shall follow the procedures for selling or otherwise disposing of such stock, and the Notice Party shall be entitled to advance notice and a right of first refusal to purchase such stock all as provided in this section.

(b) Right of First Refusal and Notice Procedures

When the Selling Party desires to sell or otherwise dispose of any or all of the shares of stock in their Non-Employer Stock Fund, the Selling Party shall first offer such stock for sale to the Notice Party by delivering to the Notice Party's Chief Financial Officer, or his or her designee, a written offer of such shares of stock for sale to the Notice Party. The offer for sale to the Notice Party shall designate the total number of shares of stock desired to be sold (the "Offered Shares") and any special terms of sale, if the Offered Shares will not be sold on the market.

(c) Procedures After Notice is Given

The Notice Party shall within 30 days after receipt of notice advise the Selling Party in writing whether it desires to purchase the Offered Shares, and the terms upon which such purchase would be consummated. Failure to so notify the Selling Party shall be deemed a rejection of the offer, and the Selling Party after the close of the 30-day period may sell or otherwise dispose of the Offered Shares in its sole discretion. In the event that the Notice Party advises the Selling Party of its acceptance of the offer for sale, such acceptance shall specify a purchase date (the "Purchase Date") that is not less than ten nor more than 30 days after the date of such acceptance, and on which the New York Stock Exchange is scheduled to be open for trading. The purchase price paid for the Offered Shares and the terms and conditions of the payment shall be negotiated and agreed upon between the Selling Party and the Notice Party before the Purchase Date. If the Selling Party and the Notice Party have not agreed upon the price and the terms and conditions for payment by the Purchase Date, the Notice Party shall have the right to purchase all of the Offered Shares for cash immediately following the close of the New York Stock Exchange on the Purchase Date, at a price per Offered Share equal to its closing price on the New York Stock Exchange (but with any adjustment for the size of the block that is

-20-

necessary, in the judgment of the valuation expert designated by Equifax and Certegy for this purpose, to accomplish the sale at fair market value). If the Notice Party does not purchase and pay for all of the Offered Shares on the Purchase Date, it shall be deemed to have completely rejected the offer and all of the Offered Shares may be sold or otherwise disposed of by the Selling Party in its sole discretion.

-21-

Article V Health and Welfare Plans

5.01 Assumption of Health and Welfare Plan Liabilities

(a) Assumption by Certegy

Immediately after the Distribution Date, all Liabilities for or relating to Transferred Individuals under the Equifax Health and Welfare Plans and all Liabilities relating to the Equifax Severance Pay Plan specified in Section 5.11(b), shall cease to be Liabilities of Equifax or the Equifax Health and Welfare Plans and shall be assumed by Certegy and the corresponding Certegy Health and Welfare Plans. Thus, Certegy and the Certegy Health and Welfare Plans shall be responsible for all Liabilities that pertain to Transferred Individuals regardless of when incurred, including all reported claims that are unpaid, all incurred but not reported claims as of the Close of the Distribution Date, and all claims incurred after the Close of the Distribution Date that pertain to Transferred Individuals under the Equifax Health and Welfare Plans and the Certegy Health and Welfare Plans. Certegy shall be required to make all payments due or payable to Transferred Individuals under the appropriate Certegy Health and Welfare Plans for the period beginning Immediately after the Distribution Date, including all reported claims that are unpaid and all incurred but not reported claims as of the Close of the Distribution Date. All treatments which have been pre-certified for or are being provided on an on-going basis to a Transferred Individual under the Equifax Health and Welfare Plans as of the

Close of the Distribution Date shall continue to be provided without interruption under the appropriate Certegy Health and Welfare Plan until such treatment is concluded or discontinued pursuant to applicable plan rules and limitations, and Certegy and the Certegy Health and Welfare Plans shall be responsible for all Liabilities relating to, arising out of, or resulting from such pre-certified or on-going treatments as of the Close of the Distribution Date. Notwithstanding any of the foregoing in this Section 5.01, neither Certegy nor a Certegy Health and Welfare Plan shall assume any Liability with respect to: (i) a claim incurred on or prior to the Close of the Distribution Date for which Equifax or an Equifax Health and Welfare Plan has insurance coverage, and (ii) benefit claims for which Equifax is responsible under Section 5.07. Furthermore, except to the extent related to claims referenced in the prior sentence, Equifax shall pay to Certegy any prescription drug rebates received by Equifax under the Equifax Major Medical Plan relating to claims incurred for Transferred Individuals in respect of periods beginning Immediately after the Distribution Date.

(b) Certain Audit Procedures with Respect to Health and Welfare Plans

At periodic intervals beginning Immediately after the Distribution Date, Equifax and Certegy shall examine their respective payments and receipts for health and welfare coverages to ascertain whether Equifax has mistakenly made or received payments for coverages with respect to Transferred Individuals and whether Certegy has mistakenly made or received payments for coverages with respect to participants and beneficiaries in the Equifax Health and Welfare Plans (other than Transferred Individuals). If any such mistaken payments have been made or received by Equifax or Certegy, such mistaken payments and receipts shall first be netted against each other by Equifax and Certegy and thereafter such net payments or net receipts shall be further netted against the other party's net payments or net receipts. The party with the remaining amount of mistaken payments shall transfer such amount in cash to the other party at such time

-22-

or times as agreed upon by Equifax and Certegy, but not less than semi-annually. Furthermore, at periodic intervals beginning Immediately after the Distribution Date, Equifax and Certegy shall examine the payment of benefits and claims, and reimbursements for expenses, by their respective Health and Welfare Plans to ascertain whether any Equifax Health and Welfare Plan has mistakenly paid claims or benefits, or reimbursed expenses, with respect to Transferred Individuals and whether any Certegy Health and Welfare Plan has mistakenly paid claims or benefits, or reimbursed expenses, with respect to participants and beneficiaries in the Equifax Health and Welfare Plans (other than Transferred Individuals). If any such mistaken payments or reimbursements have been made by any Equifax or Certegy Health and Welfare Plan, such mistaken payments and reimbursements shall be netted against the other corresponding Health and Welfare Plan's mistaken payments and reimbursements. The Health and Welfare Plan with the remaining amount of mistaken payments and reimbursements shall transfer such amount in cash to the other party's corresponding Health and Welfare Plan at such time or times as agreed upon by Equifax and Certegy, but not less than semi-annually.

5.02 Establishment of Certegy Veba

On or before the Distribution Date, Certegy shall establish, or cause to be established, the Certegy VEBA, which shall constitute a voluntary employees' beneficiary association under Code (S) 501(c)(9) that is exempt from the imposition of federal income tax under Code (S) 501(a). The Certegy VEBA shall be established to provide funding for benefits that are permissible under Code (S) 501(c)(9), and in particular those benefits which Equifax funded through the VEBA as of the Distribution Date. Nothing in this Section 5.02 shall restrict the right of Certegy to discontinue providing any benefit or to discontinue funding any benefit through the VEBA after the Distribution Date.

5.03 Veba Asset Transfers

(a) Aggregate Amount to be Transferred

Equifax shall transfer at the times enumerated in Section 5.03(b) from the Equifax VEBA to the Certegy VEBA an aggregate amount (the "VEBA Transfer Amount") equal to the sum of (i) the amount of the incurred but unpaid claims for which the Certegy VEBA is liable as of the Close of the Distribution Date, plus (ii) if the Equifax VEBA contains assets in excess of the amount necessary both to make such transfer (as described in the preceding clause (i)) and to establish a reserve for the incurred but unpaid claims for which the Equifax VEBA is liable Immediately after the Distribution Date (the "Excess Assets"), a portion of the Excess Assets, determined in the discretion of Equifax. For the above purpose, the Equifax VEBA's Liabilities will be determined by Equifax in accordance with the procedure it uses, as of the Close of Distribution Date, to predict outstanding VEBA Liabilities on an ongoing basis.

(b) Timing of Asset Transfers / Interim Period

Not later than as soon as practicable after the Distribution Date, Equifax will transfer from the Equifax VEBA to the Certegy VEBA a nominal amount

of assets, provided that such transfer is necessary to initially fund the

Certegy VEBA (the "Initial VEBA Transfer"). After December 31, 2001 and on a date mutually acceptable to both Equifax and Certegy, Equifax shall transfer the VEBA Transfer Amount from the Equifax VEBA to the Certegy VEBA, (i) reduced

-23-

by the amount of the Initial VEBA Transfer and claims that were paid on behalf of Transferred Individuals by the Equifax VEBA during the period beginning Immediately after the Distribution Date and that is expected to end on December 31, 2001, and (ii) adjusted by Equifax for actual investment gains and losses experienced in the Equifax VEBA, allocable expenses, data corrections, enhancements and computational refinements from Immediately after the Distribution Date to the date of the transfer. Before performing the above transfer, Equifax and Certegy shall examine the payment of claims by the Equifax VEBA so that retrospective identification can be made of the particular claims that were paid by the Equifax VEBA on behalf of Transferred Individuals. If this identification reflects that the Equifax VEBA has already made payments on behalf of the Certegy VEBA in excess of the amount to be transferred, then as soon as practicable the Certegy VEBA shall return such excess to the Equifax VEBA, adjusted by Certegy for actual investment gains and losses experienced by the Certegy VEBA, allocable expenses, data corrections, enhancements and computational refinements.

5.04 Contributions To, Investments Of, And Distributions From Vebas

Equifax shall have sole authority to direct the trustee of the Equifax VEBA, as to the timing and manner of any contributions to the Equifax VEBA, the investment of any trust assets, and the distributions and/or transfers of trust assets, in accordance with applicable law to Equifax, Certegy, any Participating Company in the trust, any paying agent, any successor trustee, or any other Person. The auditing party shall have the right to make copies of any records at its expense, subject to the confidentiality provisions set forth in the Distribution Agreement, which are incorporated by reference herein. The party being audited shall provide the auditing party's representatives with reasonable access during normal business hours to its operations, computer systems and paper and electronic files, and provide workspace to its representatives. After any audit is completed, the party being audited shall have the right to review a draft of the audit findings and to comment on those findings in writing within five business days after receiving such draft.

(2) The auditing party's audit rights under this Section 7.06(b) shall include the right to audit, or participate in an audit facilitated by the party being audited, of any Subsidiaries and affiliates of the party being audited and of any benefit providers and third parties with whom the party being audited has a relationship, or agents of such party, to the extent any such persons are affected by or addressed in this Agreement (collectively, the "Non-parties"). The party being audited shall, upon written request from the auditing party, provide an individual (at the auditing party's expense) to supervise any audit of any Non-party. The auditing party shall be responsible for supplying, at its expense, additional personnel sufficient to complete the audit in a reasonably timely manner.

(c) Audits Regarding Vendor Contracts

From Immediately after the Distribution Date through December 31, 2002, Equifax and Certegy and their duly authorized representatives shall have the right to conduct joint audits with respect to any vendor contracts that relate to both the Equifax Health and Welfare Plans and the Certegy Health and Welfare Plans. The scope of such audits shall encompass the review of all correspondence, account records, claim forms, canceled drafts (unless retained by the bank), provider bills, medical records submitted with claims, billing corrections, vendor's internal corrections of previous errors and any other documents or instruments relating to the services performed by the vendor under the applicable vendor contracts. Equifax and Certegy shall agree on the performance standards, audit methodology, auditing policy and quality measures and

-36-

EMPLOYEE BENEFITS AGREEMENT

reporting requirements relating to the audits described in this Section 7.06(c) and the manner in which costs incurred in connection with such audits will be shared.

(d) Audit Assistance

To the extent that either Equifax or Certegy is required to respond to any Governmental Authority, vendor or recordkeeper audit, or otherwise conducts an audit with respect to any provision or obligation of the other party under this Agreement, Equifax or Certegy, whichever is applicable, shall be required to fully cooperate with the audit, including providing such records and data as may be necessary to respond to any document or data request that may arise by reason of such audit. The party being audited shall provide the auditing party's representatives with reasonable access during normal business hours to its operations, computer systems and paper and electronic files, and provide workspace to its representatives. To the extent the results of an audit result in any correction to the Liabilities involving any Transferred Individuals, Certegy shall be solely responsible for all such costs and expenses associated with such Liabilities and any related corrections.

7.07 BENEFICIARY DESIGNATIONS/RELEASE OF INFORMATION/RIGHT TO REIMBURSEMENT

All beneficiary designations, authorizations for the release of information and rights to reimbursement made by or relating to Transferred Individuals under Equifax Plans shall be transferred to and be in full force and effect under the corresponding Certegy Plans until such beneficiary designations, authorizations or rights are replaced or revoked by, or no longer apply, to the relevant Transferred Individual.

7.08 REQUESTS FOR INTERNAL REVENUE SERVICE RULINGS AND UNITED STATES DEPARTMENT OF LABOR OPINIONS AND SATISFACTION OF OBLIGATIONS ARISING FROM VOLUNTARY COMPLIANCE PROGRAMS

(a) Cooperation

Certegy shall cooperate fully with Equifax on any issue relating to the transactions contemplated by this Agreement for which Equifax elects to seek a determination letter or private letter ruling from the Internal Revenue Service or an advisory opinion from the United States Department of Labor. Equifax shall cooperate fully with Certegy with respect to any request for a determination letter or private letter ruling from the Internal Revenue Service or advisory opinion from the United States Department of Labor with respect to any of the Certegy Plans relating to the transactions contemplated by this Agreement.

(b) Applications

Equifax and Certegy shall make such applications to regulatory agencies, including the Internal Revenue Service and the United States Department of Labor, as may be necessary to ensure that any transfers of assets from the Equifax VEBA to the Certegy VEBA will neither (i) result in any adverse tax, legal or fiduciary consequences to Equifax and Certegy, the Equifax VEBA, the Certegy VEBA, any participant therein or beneficiaries thereof, any successor welfare benefit funds established by or on behalf of Certegy, or the trustees of such trusts, nor (ii) contravene any statute, regulation or technical pronouncement issued by any regulatory agency. Before the Close of the Distribution Date, Certegy shall prepare all forms required to obtain

-37-

EMPLOYEE BENEFITS AGREEMENT

favorable determination letters from the Internal Revenue Service with respect to the tax-exempt status of the Certegy VEBA. Certegy and Equifax agree to cooperate with each other to fulfill any filing and/or regulatory reporting obligations with respect to such transfers.

7.09 FIDUCIARY AND RELATED MATTERS

The parties acknowledge that Equifax will not be a fiduciary with respect to the Certegy Plans and that Certegy will not be a fiduciary with respect to the Equifax Plans. The parties also acknowledge that neither party shall be deemed to be in violation of this Agreement if it fails to comply with any provisions hereof based upon its good faith determination that to do so would violate any applicable fiduciary duties or standards of conduct under ERISA or other applicable law. Notwithstanding any other provision in this Agreement, the parties may take such actions as necessary or appropriate to effectuate the terms and provisions of this Agreement.

7.10 NO THIRD-PARTY BENEFICIARIES; NON-TERMINATION OF EMPLOYMENT

This Agreement is not intended and shall not be construed as to confer upon any Person other than the parties hereto any rights or remedies hereunder. No provision of this Agreement or the Distribution Agreement shall be construed to create any right, or accelerate entitlement, to any compensation or benefit whatsoever on the part of any Transferred Individual or other future, present, or former employee of the Equifax Group or the Certegy Group under any Equifax Plan or Certegy Plan or otherwise. Without limiting the generality of the foregoing, except as expressly provided in this Agreement: (i) neither the Distribution nor the termination of the Participating Company status of a member of the Certegy Group shall cause any employee to be deemed to have incurred a termination of employment which entitles such individual to the commencement of benefits under any of the Equifax Plans, any of the Certegy Plans, or any of the Individual Agreements; and (ii) nothing in this Agreement other than those provisions specifically set forth herein to the contrary shall preclude Certegy, at any time after the Close of the Distribution Date, from amending, merging, modifying, terminating, eliminating, reducing, or otherwise altering in any respect any Certegy Plan, any benefit under any Plan or any trust, insurance policy or funding vehicle related to any Certegy Plan.

7.11 COLLECTIVE BARGAINING

To the extent any provision of this Agreement is contrary to the provisions of any applicable collective bargaining agreement to which Equifax or any affiliate of Equifax is a party, the terms of such collective bargaining agreement shall prevail. Should any provision of this Agreement be deemed to relate to a topic determined by an appropriate authority to be a mandatory subject of collective bargaining, Equifax or Certegy may be obligated to bargain with the union representing affected employees concerning those subjects. In the event a force surplus affecting members of a bargaining unit in both the Equifax Group (on the one hand) and the Certegy Group (on the other hand) directly results, due to the provisions of such a collective bargaining agreement, in an employee involuntarily leaving the payroll of the party not declaring the surplus, then the party declaring the surplus shall bear the cost of any severance payable to such employee.

-38-

EMPLOYEE BENEFITS AGREEMENT

7.12 CONSENT OF THIRD PARTIES

If any provision of this Agreement is dependent on the consent of any third party (such as a vendor) and such consent is withheld, Equifax and Certegy shall use their reasonable best efforts to implement the applicable provisions of this Agreement to the full extent practicable. If any provision of this Agreement cannot be implemented due to the failure of such third party to consent, Equifax and Certegy shall negotiate in good faith to implement the provision in a mutually satisfactory manner. The phrase "reasonable best efforts" as used in this Agreement shall not be construed to require the incurrence of any non-routine or unreasonable expense or liability or the waiver of any right.

7.13 FOREIGN PLANS

The treatment of Foreign Plans by Equifax and Certegy shall be set forth in Appendix C.

7.14 EFFECT IF DISTRIBUTION DOES NOT OCCUR

If the Distribution does not occur, then all actions and events that are, under this Agreement, to be taken or occur before or effective as of the Close of the Distribution Date, Immediately after the Distribution Date, or otherwise in connection with the Distribution, shall not be taken or occur except to the extent specifically agreed by Certegy and Equifax.

7.15 RELATIONSHIP OF PARTIES

Nothing in this Agreement shall be deemed or construed by the parties or any third party as creating the relationship of principal and agent, partnership or joint venture between the parties, it being understood and agreed that no provision contained herein, and no act of the parties, shall be deemed to create any relationship between the parties other than the relationship set forth herein.

7.16 AFFILIATES

Each of Equifax and Certegy shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth in this Agreement to be performed by members of the Equifax Group or members of the Certegy Group, respectively, where relevant.

7.17 DISPUTE RESOLUTION

Any controversy or claim arising out of or relating to this Agreement,

or the breach hereof, shall be settled pursuant to the dispute resolution provisions described in the Distribution Agreement.

7.18 INDEMNIFICATION

Effective on the Distribution Date, Certegy and each member of the Certegy Group agree to jointly and severally indemnify and hold harmless Equifax and each member of the Equifax Group and each of their respective officers, directors, employees and agents and the Equifax Plans and any related trusts, including the Equifax Pension Trust and the trustees thereof, from and against any and all losses, Liabilities, claims, suits, damages, costs and expenses (including

-39-

EMPLOYEE BENEFITS AGREEMENT

without limitation, reasonable attorneys' fees and any and all expenses reasonably incurred in investigating, preparing or defending against any pending or seriously threatened litigation or claim) (collectively, "Indemnifiable Expenses") arising out of or related in any manner to Transferred Individuals, except for Indemnifiable Expenses arising solely out of a claim which is made by any Person (other than a Person who is a member of the Certegy or Equifax Group) and which is related solely to Equifax's exercise of its fiduciary responsibility for the investment of the assets of the Equifax Plans prior to the Distribution Date (or prior to the Pension Plan Spinoff Date for purposes of the Equifax Pension Plan and prior to the Savings Plan Transfer Date for purposes of the Equifax Savings Plan). In addition, effective on the Distribution Date, Equifax agrees to indemnify and hold harmless each member of the Certegy Group and each of their respective officers, directors, employees and agents and the Certegy Plans and any related trusts, including the Certegy Pension Trust and the trustees thereof, from and against any and all Indemnifiable Expenses arising solely out of a claim which is made by any Person (other than a Person who is a member of the Certegy or Equifax Groups) and which is related solely to Equifax's exercise of its fiduciary responsibility for the investment of the assets of the Equifax Plans prior to the Distribution Date (or prior to the Pension Plan Spinoff Date for purposes of the Equifax Pension Plan and prior to the Savings Plan Transfer Date for purposes of the Equifax Savings Plan).

If any action is brought or any claim is made against a party or person in respect of which indemnity may be sought pursuant to this Section 7.18 (the "Indemnitee"), the Indemnitee shall, within twenty (20) days after the receipt of information indicating that an action or claim is likely, notify in writing the party from whom indemnification is sought (the "Indemnitor") of the institution of the action or the making of the claim, and the Indemnitor shall have the right, and at the request of the Indemnitee, shall have the obligation, to assume the defense of the action or claim, including the employment of counsel. If the Indemnitor assumes the defense of the action or claim, the Indemnitor shall be entitled to settle the action or claim on behalf of the Indemnitee without the prior written consent of the Indemnitee, unless such settlement would, in addition to the payment of money, materially affect the ongoing business or employment of the Indemnitee.

The Indemnitee shall have the right to interpret the provisions of its own Plans and to employ its own counsel, but the fees and expenses of that counsel shall be the responsibility of the Indemnitee unless: (i) the employment of that counsel shall have been authorized in writing by the Indemnitor in connection with the defense of the action or claim; (ii) the Indemnitor shall not have employed counsel to have charge of the defense of such action or claim; or (iii) such Indemnitee shall have reasonably concluded that there may be defenses available to it which are different from or additional to those available to the Indemnitor (in which case the Indemnitor shall not have the right to direct any different defense of the action or claim on behalf of the Indemnitee). The Indemnitee shall, in any event, be kept fully informed of the defense of any such action or claim. Except as expressly provided above, in the event that the Indemnitor shall not previously have assumed the defense of an action or claim, at such time as the Indemnitor does assume the defense of the action or claim, the Indemnitor shall not thereafter be liable to any Indemnitee for legal or other expenses subsequently incurred by the Indemnitee in investigating, preparing or defending against such action or claim.

-40-

Anything in this Section 7.18 to the contrary notwithstanding, the Indemnitor shall not be liable for any settlement of any claim or action effected without its written consent; provided, however, that if after due

notice the Indemnitor refuses to defend a claim or action, the Indemnitee shall have the right to defend and/or settle such action, and the Indemnitee shall not be precluded from making a claim against the Indemnitor for reasonable expenses and liabilities resulting from such defense and/or settlement in accordance with

this Section 7.18.

Notwithstanding the foregoing provisions of this Section 7.18, there may be particular actions or claims which reasonably could result in both parties being liable to the other under the indemnification provisions of this Agreement. In such events, the Parties shall endeavor, acting reasonably and in good faith, to agree upon a manner of conducting the defense and settlement of the action or claim with a view to minimizing the legal expenses and associated costs that might otherwise be incurred by the parties, such as, by way of illustration only, agreeing to use the same legal counsel.

The indemnification provisions of this Section 7.18 shall not inure to the benefit of any third party. By way of illustration only, an insurer who would otherwise be obligated to pay any claim shall not be relieved of the responsibility with respect thereto, or, solely by virtue of the indemnification provisions, hereof, have any subrogation rights with respect thereto, it being expressly understood and agreed that no insurer or any other third party shall be entitled to a "windfall" (i.e., a benefit they would not be entitled to receive in the absence of the indemnification provisions) by virtue of these indemnification provisions.

7.19 W-2 Matters

Pursuant to the alternative procedure set forth in Internal Revenue Service Rev. Proc. 96-60, Certegy will assume Equifax's obligations to furnish Forms W-2 to all Transferred Individuals for the year in which the Distribution Date occurs. Equifax will provide to Certegy the information not available to Certegy relating to periods ending on the Distribution Date necessary for Certegy to prepare and distribute Forms W-2 to Transferred Individuals for the year in which the Distribution Date occurs, which will include all remuneration earned by Transferred Individuals before the Distribution Date and Forms W-4 provided to Equifax by Transferred Individuals to the extent that Certegy is not already in possession of such information. Certegy shall prepare and distribute such forms. To the extent permitted by applicable law, in particular Code ss.ss. 3121(a)(1) and 3306(b)(1), Certegy shall be deemed a successor employer to Equifax with respect to Transferred Individuals for purposes of calculating the annual wage limitation to which state and federal payroll taxes apply.

7.20 Confidentiality

Except as required by applicable law, for the purpose of satisfying any obligation under this Agreement or with the consent of the other party, neither Equifax nor Certegy shall disclose to any Person (other than members of the Equifax Group or the Certegy Group) any information (including, but not limited to, information regarding fees, expenses, assets, Liabilities and Plan terms) relating to the Equifax Plans, Certegy Plans or Transferred Individuals. Each of Equifax and Certegy shall be permitted to disclose such information within the Equifax Group and Certegy Group only to the extent reasonably necessary in the ordinary course of business.

-41-

7.21 Notices

Any notice, demand, claim, or other communication under this Agreement shall be in writing and shall be given in accordance with the provisions for giving notice under the Distribution Agreement.

7.22 Interpretation

Words in the singular shall be held to include the plural and vice versa and words of one gender shall be held to include the other genders as the context requires. The terms "hereof," "herein," and "herewith" and words of similar import shall, unless otherwise stated, be construed to refer to this Agreement as a whole (including all Appendices hereto) and not to any particular provision of this Agreement. The word "including" and words of similar import when used in this Agreement shall mean "including, without limitation," unless the context otherwise requires or unless otherwise specified. The word "or" shall not be exclusive.

7.23 Severability

The provisions of this Agreement are severable and should any provision hereof be void, voidable or unenforceable under any applicable law, such provision shall not affect or invalidate any other provision of this Agreement, which shall continue to govern the relative rights and duties of the parties as though such void, voidable or unenforceable provision were not a part hereof.

7.24 Governing Law/Execution

This Agreement shall be construed in accordance with, and governed by, the laws of the State of Georgia without regard to the conflicts of law rules of such state, may not be assigned by either party without the prior written consent of the other, and shall bind and inure to the benefit of the parties hereto and their respective successors and permitted assignees. This Agreement

may not be amended or supplemented except by an agreement in writing signed by Equifax and Certegy. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute one and the same Agreement.

Appendix C Foreign Plans

This Appendix C describes the principles under which Foreign Plans shall be treated. For purposes of this Appendix, outside the U.S. means outside the 50 United States, its territories and possessions, and the District of Columbia, and employed outside the U.S. means compensated under a payroll which is administered outside the United States.

C.1 Plans Covering only Employees of Equifax or Certegy

Effective as of the Close of the Distribution Date or such later date as may be required by applicable law, union, or works council agreement, any Foreign Plan that covers only individuals employed outside the U.S. by the Equifax Group shall be the sole responsibility of the Equifax Group and no member of the Certegy Group shall have any Liability with respect to such a Plan; and any Foreign Plan that covers only individuals employed outside the U.S. by the Certegy Group shall be the sole responsibility of the Certegy Group and no member of the Equifax Group shall have any Liability with respect to such a Plan.

C.2 Plans Covering Employees of Both Equifax and Certegy

(a) Termination of Participation

To the extent legally permitted and except as otherwise provided herein, effective as of the Close of the Distribution Date, or as soon as practicable thereafter, Certegy and each other applicable member of the Certegy Group shall cease to be a Participating Company in each Foreign Plan maintained by Equifax or the Equifax Group and each other applicable member of the Equifax Group shall cease to be a Participating Company in each Foreign Plan maintained by the Certegy Group. Equifax and Certegy recognize that because of the requirements of local law or administrative considerations, a transition period extending beyond the Close of the Distribution Date may be required during which Equifax or Certegy may continue to participate in each other's Foreign Plans. During such transition period, Equifax and Certegy agree to cooperate in handling any and all matters with respect to the Foreign Plans.

(b) Mirror Plans

(1) Effective Immediately after the Distribution Date, Certegy shall adopt, or cause to be adopted, Foreign Plans for the benefit of employees of the Certegy Group employed outside the United States who are eligible to participate in Equifax Foreign Plans and shall cause such Certegy Foreign Plans to be substantially identical in all Material Features to the corresponding Equifax Foreign Plans as in effect on the Distribution Date. Notwithstanding the preceding sentence - (i) Certegy may satisfy this requirement by extending coverage to such individuals under a Foreign Plan of the Certegy Group which was in effect before the Distribution Date and which is, with respect to all Material Features, at least equal to the corresponding Equifax Foreign Plan, and (ii) Certegy is not required to adopt a defined benefit pension plan for the benefit of its Canadian employees (but instead shall make an equitable adjustment to the defined contribution plan covering these employees).

(2) Effective Immediately after the Distribution Date, Equifax shall adopt, or cause to be adopted, Plans for the benefit of employees of the Equifax Group employed outside the United States who are eligible to participate in Certegy Plans and shall cause such Plans to be substantially identical in all Material Features to the corresponding Certegy Foreign Plans as in effect on the Distribution Date; provided, however, that Equifax may satisfy

this requirement by extending or continuing coverage to such individuals under an Equifax Foreign Plan of the Equifax Group which was in effect before the Distribution Date.

(3) The continuation by Equifax or Certegy of separate employment terms and conditions for employees previously covered by the other entity's Plans shall not continue beyond the time legally required.

(c) Transfer of Assets

As of the Close of the Distribution Date, Equifax and Certegy will use their reasonable best efforts to ensure that, to the extent legally permitted: (i) Liabilities of the Foreign Plans of Equifax relating to Transferred Individuals shall be assumed by the appropriate Foreign Plans of Certegy; and (ii) an appropriate portion of any assets of the Foreign Plans of Equifax shall be transferred to the appropriate Foreign Plans of Certegy, and vice versa.

C.3 Severance Issues

If under applicable law, any Transferred Individual employed outside the U.S. is deemed to have incurred a termination of employment as a result of the Distribution or any other transaction contemplated by the Distribution Agreement or this Agreement, which entitles such individual to receive any payment or benefit under any Foreign Plan, governmental plan or arrangement or pursuant to any law or regulation, including severance benefits, notwithstanding such individual's continued employment by the Certegy Group, then Certegy shall be liable for any such payment or benefit and, notwithstanding any other provision hereof, to the extent legally permitted, appropriate adjustments shall be made to the treatment of such individual during such continued employment, including not giving such individual credit for prior service and/or treating such individual as having been newly hired immediately after such deemed termination, for purposes of all applicable Foreign Plans. Liability with respect to such payments shall be the responsibility of Certegy.

C.4 Legally Permitted

For purposes of this Appendix C, "legally permitted" means permitted under the laws of the country, the labor union, works council, or collective agreement without adverse consequences to Equifax, Certegy or Transferred Individuals, as determined by Equifax, in its sole discretion, including mandated waiting periods before which working conditions (including benefits) cannot be changed, and upon receiving required agreement from individual employees and/or Plan trustees, foundation boards and members, and any other organizations having a recognized right to determine or affect benefits and/or funding of the Plan.

-47-

C.5 Multinational Pooling

Equifax and Certegy shall keep their existing multinational pooling arrangements intact so long as the parties mutually agree. If there is any dividend payable from the consolidated pooling arrangements with respect to the 2001 pool accounting year, that dividend will be allocated between Equifax and Certegy proportionately, based on the contribution to the overall surplus of the pooling arrangements by the Equifax Group and the Certegy Group, respectively. Alternatively, any net deficits incurred under any one (or all) consolidated pooling arrangement(s) will be apportioned back to the entity which incurred the deficit proportionately based on each entities' contribution to the net deficit.

THIS INTERCOMPANY DATA PURCHASE AGREEMENT dated as of June 30, 2001, is entered into by EQUIFAX INC., a Georgia corporation ("Equifax"), and CERTEGY INC., a Georgia corporation ("Certegy").

BACKGROUND

A. Certegy is a wholly-owned subsidiary of Equifax formed among other reasons for the purposes of receiving and conducting the business of the Certegy Group (as defined below) and taking title to the intellectual property assets and assuming the associated liabilities related to the business operations of the Certegy Group.

B. The transfer of such business, assets and liabilities, as well as other assets, will be effected pursuant to the Distribution Agreement (as defined below).

C. The parties intend that the Distribution (as defined in the Distribution Agreement) not be taxable to Equifax or its shareholders pursuant to Section 355 of the Code (as defined below).

D. Equifax and its Affiliates (as defined below) provide various Data (as defined below) to each other and to their respective customers. Prior to the Distribution, Equifax and its Affiliates utilized certain common resources and discrete, commercial products purchased from one another in the conduct of their respective businesses. At and after the Effective Time, Equifax and Certegy desire to purchase from each other and their Group members certain Data for their own use and for resale to their Group customers.

E. The parties have determined that it is necessary and desirable to set forth the arrangements required to effect the purchase and sale of their respective Data to the members of each Group and to set forth their other agreements that will govern certain other matters regarding the parties' respective purchase and sale of Data following the Distribution.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual agreements and covenants contained in this Agreement and other valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE I

Section 1.1. Definitions.

As used herein, the following terms have the following meanings:

(b) "Affiliate" means, with respect to a party, any corporation,

partnership (general or limited), limited liability company, joint venture or other form of business entity that controls, is controlled by or is under common control with that party; and "control" means (i) either directly or indirectly owning or having the right to vote ownership interests possessing a majority of the aggregate voting power of all ownership interests of that entity, or (ii) having the power to control and direct, either directly or indirectly, the business and affairs of that entity or to elect or appoint the person (or if more than one, a majority of the persons) who is responsible for the management and control of the business and affairs of that entity.

(c) "Agreement" means the terms and conditions of this Intercompany Data Purchase Agreement and the Exhibits attached hereto.

(d) "Ancillary Agreements" means all of the written agreements, instruments, understandings, assignments or other arrangements entered into in connection with the transactions contemplated hereby and in the Distribution Agreement, including without limitation, the Distribution Agreement, the Employee Benefits Agreement, the Transition Support Agreement, the Intellectual Property Agreement, the Tax Sharing and Indemnification Agreement, and the Real Estate Agreements.

(e) "Certegy Group" means the entities set forth on Exhibit A, and, at any point in time following the Distribution Date, a Person that is then an Affiliate of any such entity.

(f) "Certegy Indemnitees" has the meaning given in Section 6.2.

Any undisputed amounts contained on the invoice will be paid pursuant to Section 3.2.

Section 7.1. Notice and Payment of Claims.

If any Equifax or Certegy Indemnitee (the "Indemnified Party") determines that it is or may be entitled to indemnification by a party (the "Indemnifying Party") under Article VI (other than in connection with any Action or claim subject to Section 7.2), the Indemnified Party shall deliver to the Indemnifying Party a written notice specifying, to the extent reasonably practicable, the basis for its claim for indemnification and the amount for which the Indemnified Party reasonably believes it is entitled to be indemnified. After the Indemnifying Party shall have been notified of the amount

for which the Indemnified Party seeks indemnification, the Indemnifying Party shall, within thirty (30) days after receipt of such notice, pay the Indemnified Party such amount in cash or other immediately available funds (or reach agreement with the Indemnified Party as to a mutually agreeable alternative payment schedule) unless the Indemnifying Party objects to the claim for indemnification or the amount thereof. If the Indemnifying Party does not give the Indemnified Party written notice objecting to such claim and setting forth the grounds therefor within the same thirty (30) day period, the Indemnifying

-12-

Party shall be deemed to have acknowledged its liability for such claim and the Indemnified Party may exercise any and all of its rights under applicable law to collect such amount. The failure of the Indemnified Party to give notice as provided in this Section 7.2 shall not relieve the Indemnifying Party of its obligations under this Agreement, except to the extent that the Indemnifying Party is prejudiced by such failure to give notice. Within thirty (30) days after receipt of such notice, the Indemnifying Party shall by giving written notice thereof to the Indemnified Party, (i) acknowledge, as between the parties hereto, liability for, and at its option, assumption of the defense of such Third Party Claim at its sole cost and expense or (ii) object to the claim of indemnification set forth in the notice delivered by the Indemnified Party pursuant to the first sentence of this Section 7.2 setting forth the grounds therefor; provided that if the Indemnifying Party does not within the same thirty (30) day period give the Indemnified Party written notice acknowledging liability and electing to assume the defense or objecting to such claim and setting forth the grounds therefor, the Indemnifying Party shall be deemed to have acknowledged, as between the parties hereto, its liability to the Indemnified Party for such Third Party Claim.

(b) Any contest of a Third Party Claim as to which the Indemnifying Party has elected to assume the defense shall be conducted by attorneys employed by the Indemnifying Party and reasonably satisfactory to the Indemnified Party; provided that the Indemnified Party shall have the right to participate in such proceedings and to be represented by attorneys of its own choosing at the Indemnified Party's sole cost and expense. If the Indemnifying Party assumes the defense of a Third Party Claim, the Indemnifying Party may settle or compromise the claim without the prior written consent of the Indemnified Party; provided that the Indemnifying Party may not agree to any such settlement pursuant to which any remedy or relief, other than monetary damages for which the Indemnifying Party shall be responsible hereunder, shall be applied to or against the Indemnified Party, without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld.

(c) If the Indemnifying Party does not assume the defense of a Third Party Claim for which it has acknowledged liability for indemnification that arises under Article VI, the Indemnified Party may require the Indemnifying Party to reimburse it on a current basis for its reasonable expenses of investigation, reasonable attorneys' fees and reasonable out-of-pocket expenses incurred in defending against such Third Party Claim, and the Indemnifying Party shall be bound by the result obtained with respect thereto by the Indemnified Party; provided that the Indemnifying Party shall not be liable for any settlement effected without its consent, which consent shall not be unreasonably withheld. The Indemnifying Party shall pay to the

-13-

Indemnified Party in cash the amount for which the Indemnified Party is entitled to be indemnified (if any) within fifteen (15) days after the final resolution of such Third Party Claim (whether by settlement, compromise, or the final nonappealable judgment of a court of competent jurisdiction or otherwise), or, in the case of any Third Party Claim as to which the Indemnifying Party has not acknowledged liability, within fifteen (15) days after such Indemnifying Party's objection has been resolved by settlement, compromise or the final nonappealable judgment of a court of competent jurisdiction.

which, in the written opinion of its legal counsel, it is required to disclose. Any and all reproductions of such Company Information must prominently contain a confidential legend.

(c) The receiving party may make disclosures of the Company Information of the disclosing party only to Representatives of the receiving party (i) who have a specific need to know such information; and (ii) who the receiving party has obligated under a written agreement to hold such Company Information in trust and in strictest confidence and otherwise to comply with the terms and provisions of this Agreement or terms and conditions substantially similar to and implementing the same restrictions and covenants as those set forth in this Agreement. Certegy and Equifax agree, and shall ensure that each member of their respective Groups agrees, to diligently monitor each such Representative, diligently enforce such agreements with its Representatives, and, upon request by the other party, promptly to furnish to the other party a list of the receiving party's Representatives having had access to such Company Information.

(d) Within thirty (30) days following the receipt of a written request from the disclosing party, the receiving party must deliver to the disclosing party all tangible materials containing or embodying the disclosing party's Company Information applicable to a triggering event, together with a certificate executed by the president or any vice president of the receiving party certifying that all such materials in the receiving party's possession have been delivered to the disclosing party or, at the disclosing party's option, certify that all such materials in the receiving party's possession have been destroyed. For the purposes of this Article VIII, a "triggering event" means the cessation of the provision of Data by the disclosing party to the receiving party under this Agreement or the termination of the Agreement.

(e) The covenants of confidentiality set forth in this Agreement (i) will apply after the Effective Time to all Company Information disclosed to the receiving party before and after the Distribution Date and (ii) will continue and must be maintained from the Effective Time through the termination of the relationship under this Agreement between Equifax and Certegy and (A) with respect to Proprietary Information, at any and all times after the termination of the relationship under this Agreement between Equifax and Certegy during which such Proprietary Information retains its status as a "trade secret" under applicable law; and (B) with respect to Confidential Information, for three (3) years after termination of the relationship under this Agreement between Equifax and Certegy.

Section 8.3. Employee Confidentiality Agreements.

The members of each Group have entered into confidentiality and non-disclosure agreements with their respective employees. To the extent that any employee during or after employment violates such agreement and such violation is or may in the future be to the detriment of the other Group, at the written request of the affected party, the other party shall promptly take remedial measures with such employee if and to the extent reasonable under the circumstances to preserve the value of the Data and to enforce its obligations hereunder. The party employing the affected employee shall have the unilateral right to determine the forum for, the manner of proceeding in, and legal counsel for such action and shall be entitled to any damages or other relief against such employee awarded in such action to the extent related to such party's Data or business. Such enforcement against and recovery by a party from its

-15-

breaching employee shall not constitute a release or sole remedy for the members of the other Group injured by such breaching employee's actions, and such members of the other Group may bring a claim against the party employing the breaching employee for a breach of this Agreement. Each party shall bear all of its own out-of-pocket costs of pursuing such action and the other party shall cooperate in connection therewith.

Section 8.4. Rights and Remedies.

(a) If either party, or any member of the Group, should breach or threaten to breach any of the provisions of this Article VIII, the non-breaching party, in addition to any other remedies it may have at law or in equity, will be entitled to a restraining order, injunction, or other similar remedy in order to specifically enforce the provisions of this Article VIII. Each party specifically acknowledges, and shall cause each member of its respective Group to acknowledge, that money damages alone would be an inadequate remedy for the injuries and damage that would be suffered and incurred by the non-breaching party as a result of a breach of any of the provisions of this Article VIII. In the event that either party, or a member of such party's Group, should seek an injunction hereunder, the other party hereby waives, and shall cause each member of its Group to waive, any requirement for the submission of proof of the economic value of any Company Information or the posting of a bond or any other security. In the event of a dispute between the parties under this Article VIII, the non-prevailing party shall pay all costs and expenses associated with resolving the dispute, including, but not limited to, reasonable attorneys' fees.

(b) The receiving party shall notify the disclosing party upon discovery of any unauthorized use or disclosure of Company Information, or any other breach of Article VIII of this Agreement by the receiving party, or any Representative of the receiving party's Group, and will cooperate with the disclosing party in every reasonable way to help the disclosing party regain possession of its Company Information and prevent its further unauthorized use or disclosure. The receiving party shall be responsible for the acts of any Representative of its Group that are in violation of this Article VIII.

Section 8.5. Competitive Activities.

Subject to the rights and obligations set forth in Article VIII, each party understands and acknowledges that the other party's Group may now market or have under development products that are competitive with products or services now offered or that may be offered by it and/or the members of its Group, and the parties' communications hereunder will not serve to impair the right of either party or any member of its respective Group to independently develop, make, use, procure, or market products or services now or in the future that may be competitive with those offered by the other party's Group, nor require either party and/or the members of its Group to disclose any planning or other information to the other party.

Section 8.6. No Implied Rights.

All Company Information is and shall remain the property of the disclosing party and/or the member of its respective Group. By disclosing Company Information to the receiving

-16-

party's Group, the disclosing party and/or the members of its respective Group do(es) not grant any express or implied rights or license to the receiving party's Group to or under any patents, patent applications, inventions, copyrights, trademarks, trade secret information, or other intellectual property rights heretofore or hereafter possessed by the disclosing party and/or the members of its respective Group.

Section 9.1. Continued Assistance and Transition.

(a) Following the Effective Time, Equifax and Certegy shall, and shall cause each member of their respective Groups to, cooperate in the orderly purchase and sale of Data hereunder. From time to time, at Equifax's or Certegy's request and without further consideration, the other party shall, and shall cause each member of the other party's Group, as applicable, to execute, acknowledge and deliver such documents, instruments or assurances and take such other action as the requesting party may reasonably request to more effectively evidence compliance with the Supplemental Terms applicable to the purchase and sale of Data as reflected in the Supplemental Terms for the applicable Data in effect from time to time, as amended and/or modified by the Provider.

Section 9.2. Litigation Cooperation.

(a) Upon written request, Equifax and Certegy shall, and shall cause each member of its Group to, use reasonable efforts to cooperate in the evaluation and defense of third party Actions regarding (i) Data provided by the other party or a member of its Group hereunder or (ii) arising out of the business of the other party or of any member of the other party's Group prior to the Distribution Date in which the requesting party or any member of its Group may from time to time be involved, at the cost and expense of the requesting party. Such cooperation shall include, without limitation, making its Representatives available as witnesses or consultants to the extent that such persons may reasonably be required in connection with such third party Actions.

(b) Equifax and Certegy shall, and shall cause each member of its respective Group, to use reasonable efforts to notify the other if it learns of a potential or actual third party claim related to the Data provided pursuant to this Agreement to be brought against any member of the other's Group.

ARTICLE X

TERM AND TERMINATION

Section 10.1. Term; Termination

(a) The term of this Agreement shall commence at the Effective Time and shall continue for two (2) years.

-17-

(b) Notwithstanding Section 10.1(a) above, either Equifax or Certegy, as the Provider, may terminate provision of Data to any given Recipient if such Recipient materially breaches any of the terms hereof, including without limitation the applicable Supplemental Terms, and the breach is not cured within thirty (30) days after written notice of breach is delivered to the breaching Recipient; provided, however, that if the breach is not capable of being cured within such thirty (30) day period and the breaching party is proceeding to cure the breach with reasonable diligence, the cure period shall be extended to sixty (60) days.

(c) Notwithstanding Section 10.1(a) above, this Agreement may be terminated in its entirety in accordance with any of the following:

(i) Upon written agreement of the parties;

(ii) By either Certegy or Equifax for material breach by the other of any of the terms hereof if the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party; provided, however, that if the breach is not capable of being cured within such thirty (30) day period and the breaching party is proceeding to cure the breach with reasonable diligence, the cure period shall be extended to sixty (60) days;

(iii) By either Certegy or Equifax, upon written notice to the other if the other becomes insolvent or makes an assignment of substantially all of its assets for the benefit of creditors, or is placed in receivership, reorganization, liquidation or bankruptcy;

(iv) By Equifax, upon written notice to Certegy, if, for any reason, the ownership or control of Certegy or any of Certegy's operations becomes vested in, or is made subject to the control or direction of, any direct competitor of Equifax or one of its subsidiaries, but such termination shall be applicable only with respect to Data provided by Equifax Group members to Recipients that have been affected by the change in control; or

(v) By Certegy, upon written notice to Equifax, if, for any reason, the ownership or control of Equifax or any of Equifax's operations becomes vested in, or is made subject to the control or direction of, any direct competitor of Certegy or one of its subsidiaries, but such termination shall be applicable only with respect to Data provided by Certegy Group members to Recipients that

have been affected by the change in control.

(d) Upon any termination pursuant to Sections 10.1(b) or 10.1(c) above, the involved Providers shall be compensated for all Data provided up to the date of termination in accordance with the provisions of this Agreement.

Section 10.2. Effect of Termination and Expiration.

Upon termination or expiration of the term of this Agreement, all rights and obligations of the parties under this Agreement will immediately cease and terminate (except for the rights and obligations pursuant to Articles IV (Representations and Warranties), V

-18-

(Limitations on Actions and Liabilities), VI (Indemnification), VII (Indemnification Procedures), and VIII (Confidentiality) and XI (Miscellaneous) and Sections 9.2 and 10.2, and the definitions required thereby which will survive such termination or expiration), and neither party will have any further obligation to the other party with respect to this Agreement, except for (a) fees and reimbursable expenses payable to the other party accrued but unpaid at the date of termination or expiration, and (b) the provisions of this Agreement which are specifically designated herein as surviving such termination or expiration.

In addition to the actions specifically provided for elsewhere in this Agreement, each of the parties hereto will use its reasonable efforts to (a) execute and deliver such further instruments and documents and take such other actions as any other party may reasonably request in order to effectuate the purposes of this Agreement and to carry out the terms hereof and (b) take, or cause to be taken, all actions, and do, or cause to be done, all things reasonably necessary, proper or advisable under applicable laws, regulations and agreements or otherwise to consummate and make effective the transactions contemplated by this Agreement, including without limitation, using its reasonable efforts to obtain any consents and approvals and to make any filings and applications necessary or desirable in order to consummate the transactions contemplated by this Agreement; provided that no party hereto shall be obligated to pay any consideration therefor (except for filing fees and other similar charges) to any third party from whom such consents, approvals and amendments are requested or to take any action or omit to take any action if the taking of or the omission to take such action would be unreasonably burdensome to the party or its Group or the business thereof.

Section 11.7. Severability.

The provisions of this Agreement are severable and should any provision hereof be void, voidable or unenforceable under any applicable law, such provision shall not affect or invalidate any other provision of this Agreement, which shall continue to govern the relative rights and duties of the parties as though such void, voidable or unenforceable provision were not a part hereof.

This Agreement shall be construed in accordance with, and governed by, the laws of the State of Georgia, without regard to the conflicts of law rules of such state. Notwithstanding the foregoing, if both the Provider and Recipient of certain Data are residents of the same county (other than the United States), this Agreement shall be construed in accordance with, and governed by, the laws of such country with respect to such Data only.

TRANSITION SUPPORT AGREEMENT

THIS AGREEMENT ("Agreement") for the performance of corporate services is executed and made effective as of June 30, 2001, between Equifax Inc., a Georgia corporation ("Equifax"), and Certegy Inc., a Georgia corporation ("Certegy").

WHEREAS, Equifax, through the operation of its Payment Services Group, is engaged in the business of providing payment transaction processing solutions and services to financial institutions and merchants;

WHEREAS, the Board of Directors of Equifax has determined that it would be advisable and in the best interests of Equifax and its shareholders for Equifax to contribute the businesses, operations, assets and liabilities of its Payment Services Group (collectively, the "Business") to Certegy in exchange for Certegy common stock and thereafter to distribute all of the outstanding shares of Certegy's common stock on a pro rata basis to the holders of Equifax's common stock (the "Distribution") pursuant to a Distribution Agreement, dated as of the date hereof, between Equifax and Certegy (the "Distribution Agreement");

WHEREAS, the parties intend that the transactions described herein will be effective at the Effective Time (as defined in the Distribution Agreement); and

WHEREAS, the parties hereto deem it to be appropriate and in the best interests of the parties that they provide certain interim services to each other, including financial, accounting, tax, computer systems support and other services on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. Capitalized terms not defined herein shall have the meanings set forth in the Distribution Agreement.

2. Description of Services.

(a) Equifax shall, subject to the terms and provisions of this Agreement, provide Certegy with (i) services, with respect to the Business, as set forth on the Exhibits hereto, including, without limitation, computer system support services, and (ii) such other specific services as Certegy may from time to time reasonably request, subject to Equifax's sole discretion and its being in a position to supply such additional services at the time of such request (collectively, the "Equifax Services").

(b) Certegy shall, subject to the terms and provisions of this Agreement, provide Equifax with (i) services as set forth on the Exhibits hereto, including, without limitation, computer system support services, and (ii) such other services as Equifax may from time to time reasonably request, subject to Certegy's sole discretion and its being in a position to supply such additional services at the time of the request (collectively, the "Certegy Services").

(c) Each Exhibit hereto (i) may identify which specific member(s) of the Equifax Group or the Certegy Group that the parties intend will provide the services and which member(s) of the Equifax Group or the Certegy Group that the parties intend will receive the services; (ii) will provide a description of the services; and (iii) may also include applicable warranties, service levels, service credits and any other special terms and conditions with respect to the services described therein.

(d) The parties have each exerted their best efforts to identify each material service to be provided by the members of one Group to the members of the other Group during a transition period after the Effective Time and to address such services in this Agreement and the Exhibits hereto. However, the parties acknowledge that there may be material services that the parties would have intended to be included which have inadvertently been omitted from this Agreement and the Exhibits. The parties agree to cooperate and negotiate with each other in good faith in order to come to an agreement regarding the continued provision of such material services that have inadvertently been omitted from this Agreement and the Exhibits, on terms that are acceptable to both parties. Moreover, the parties agree that the services to be provided may require adjustments during the term of this Agreement to reflect (i) the evolving business and operations of each Group and applicable law; (ii) that the relationship memorialized by this Agreement is dynamic in nature and will evolve as the operating and business environment of each Group changes and evolves; and (iii) that the scope of the services that will be provided during the term of this Agreement and the corresponding fees charged and payment terms extended by the parties may need to be modified to reflect the foregoing. The parties agree to cooperate and negotiate with each other in good faith in order to modify this

Agreement as appropriate to give effect to the intent of the parties and the enduring and dynamic nature of each of the parties' respective businesses and the relationship between the parties.

(e) Each of Equifax and Certegy, as the case may be, shall use commercially reasonable efforts to transition from using the services provided by the other under this Agreement during the first year of the term of this Agreement. Equifax and Certegy agree that they shall use commercially reasonable efforts to assist each other with the development of transition plans to assure a smooth and orderly transition.

3. Consideration for Services.

(a) Certegy shall pay Equifax for all the Equifax Services as described on the applicable Exhibits, and Equifax shall pay Certegy for all the Certegy Services as described on the applicable Exhibits, at the rates specified on each such Exhibit. Unless otherwise stated in an applicable Exhibit, the costs and fees payable under such Exhibit shall be exclusive of any and all sales, use, ad valorem, value added or similar taxes.

(b) The costs and fees for services set forth on each Exhibit are based on certain assumptions acknowledged and agreed to by the parties as of the Effective Time regarding the underlying costs of providing such services. If events occur that cause a material change in the underlying costs of providing the services set forth on a particular Exhibit, Equifax and Certegy hereby agree to negotiate with each other in good faith in order to (i) provide for a

2

proper refund to the recipient of such services by the provider, in cases where the recipient has already paid the provider and costs and fees have been overestimated, (ii) provide for a proper supplemental payment to the provider of such services by the recipient, in cases where the recipient has already paid the provider and costs and fees have been underestimated and (iii) adjust the costs and fees that the recipient of such services will be required to pay the provider going forward for the continued provision of such services.

4. Terms of Payment. Within thirty (30) business days after the end of each month during the term of this Agreement, each member of the Equifax Group or the Certegy Group providing services hereunder will submit a written invoice to the member of the Equifax Group or the Certegy Group (as applicable) receiving such services for fees for the services provided during the immediately preceding month together with an accounting of the charges for the immediately preceding month's services. Within twenty (20) business days after the receipt of such invoices, each member of the Equifax Group or the Certegy Group will remit payment of the full amount of such invoices to the member of the Equifax Group or the Certegy Group that provided the applicable service(s) in the manner provided in Section 5 below. Interest shall accrue on a day to day basis at the lower of one and one-half percent (1 1/2%) per month or the highest rate allowable under applicable law on any amounts not received by the party providing the service hereunder within thirty (30) business days after receipt by the other of the invoice. The amount of any monthly service fee shall be prorated to correspond with the portion of a given month for which services were actually rendered.

5. Method of Payment. Unless otherwise stated in the applicable Exhibit or agreed to by the parties, all amounts payable by the parties for the services rendered by the other pursuant to this Agreement shall be remitted in United States dollars in the form of a wire transfer.

6. No Service Levels or Service Credits. All services will be provided in a commercially reasonable manner in accordance with any service levels specified on a particular Exhibit. Except as set forth in the immediately preceding sentence or pursuant to Section 20 hereof, unless set forth on the applicable Exhibit, there shall be no service levels or service credits with respect to any of the services to be performed hereunder by any member of the Equifax Group or the Certegy Group.

7. WARRANTIES. THIS IS A SERVICE AGREEMENT. EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT OR ON AN APPLICABLE EXHIBIT, (A) NEITHER PARTY, NOR ANY MEMBER OF EITHER PARTY'S GROUP, GUARANTEES OR WARRANTS THE SERVICES TO BE PROVIDED HEREUNDER, (B) THE SERVICES WILL BE PROVIDED ON AN "AS IS" AND "WITH ALL FAULTS" BASIS AND (C) THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OR GUARANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, NONFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE, AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED. NEITHER PARTY, NOR ANY MEMBER OF EITHER PARTY'S GROUP NOR ANY OF ITS INFORMATION SOURCES, GUARANTEES OR WARRANTS THE CORRECTNESS,

3

COMPLETENESS, CURRENTNESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF ANY DATA PROVIDED TO ANY MEMBER OF THE OTHER PARTY'S GROUP.

8. Liability; Indemnification.

(a) In no event shall either Equifax or Certegy, or any member of their respective Groups, have any liability, whether based on contract, tort (including, without limitation, negligence or strict liability), warranty or any other legal or equitable grounds, for any punitive, consequential, indirect, exemplary, special or incidental loss or damage suffered by the other arising from or related to this Agreement, including without limitation, loss of data, profits, interest or revenue, or interruption of business, even if such party has been informed of or might otherwise have anticipated or foreseen the possibility of such losses or damages. Notwithstanding the foregoing, any damages awarded or obtained (whether by settlement, compromise or judgment) as a result of Third Party Claims shall be considered direct damages for purposes of this Agreement.

(b) The limitations set forth in Section 8(a) above shall not apply to liabilities which may arise as the result of the willful misconduct of a party.

(c) Certegy shall indemnify, defend and hold harmless Equifax and its affiliates and their respective directors, officers, employees and agents (the "Equifax Indemnitees") from and against any and all damage, loss, liability and expense (including, without limitation, reasonable expenses of investigation and reasonable attorneys' fees and expenses) in connection with any and all actions or threatened actions ("Indemnifiable Losses") incurred or suffered by any of the Equifax Indemnitees arising from, related to or associated with (i) Equifax's furnishing or failure to furnish the services provided for in this Agreement, other than liabilities arising out of the willful misconduct of the Equifax Indemnitees and (ii) the willful misconduct of Certegy in furnishing or failing to furnish the services to be provided by Certegy in this Agreement.

(d) Equifax shall indemnify, defend and hold harmless Certegy and its affiliates and their respective directors, officers, employees and agents (the "Certegy Indemnitees") from and against any and all Indemnifiable Losses incurred or suffered by any of the Certegy Indemnitees arising from, related to or associated with (i) Certegy's furnishing or failure to furnish the services provided for in this Agreement, other than liabilities arising out of the willful misconduct of the Certegy Indemnitees, and (ii) the willful misconduct of Equifax in furnishing or failing to furnish the services to be provided by Equifax to Certegy in this Agreement.

(e) No insurer or any other third party shall be, by virtue of the foregoing indemnification provisions, (i) entitled to a benefit it would not be entitled to receive in the absence of such provisions, (ii) relieved of the responsibility to pay any claims to which it is obligated, or (iii) entitled to any subrogation rights with respect to any obligation hereunder.

4

(f) The procedures for indemnity claims pursuant to this Section 8 shall be those set forth in Article V of the Distribution Agreement.

(g) Notwithstanding anything contained herein to the contrary, in no event shall either Equifax or Certegy, or any member of either of their respective Groups, in the aggregate, (each a "Liable Party"), have any liability including, without limitation, the obligation to indemnify the recipient of a particular service, to any member of the other Group during any Contract Year (as defined below), for Indemnifiable Losses arising under a particular Exhibit in an amount in excess of the fees received by such Liable Party under such Exhibit from the other Group during such Contract Year. "Contract Year" means a twelve (12) month period beginning at the Effective Time or the first anniversary of the Effective Time (or the first date upon which the provider of services under an Exhibit is obligated to begin providing such services (if later than the Effective Time), and the first anniversary of such date); provided, however, that the limitation on liability set forth in this Section 8(g) shall not apply to losses caused by willful misconduct.

(h) Notwithstanding anything contained herein to the contrary, in no event shall either Equifax or Certegy, or any member of either of their respective Groups, in the aggregate, have any liability to any member of the other Group during any Contract Year for Indemnifiable Losses that arise from a breach of the main body of this Agreement (in contrast to an Exhibit) in an amount in excess of the aggregate fees paid by both parties for all services rendered hereunder during such Contract Year; provided, however, that the limitation on liability set forth in this Section 8(h) shall not apply to losses caused by willful misconduct.

9. Term; Termination; Survival.

(a) The term of this Agreement will begin as of the Effective Time and will expire two (2) years from the Effective Time, unless sooner terminated as provided below.

(b) Notwithstanding Section 9(a) above, either Equifax or Certegy, as the recipient of a particular service, may, at its option, upon no less than sixty (60) days prior written notice to the other (or such other period as the

parties may mutually agree in writing), direct the other to no longer provide such service. Notwithstanding anything to the contrary contained in an Exhibit, the sixty (60) days minimum notice requirement contained in this Section 9(b) may not be shortened, unless an Exhibit states explicitly that the minimum notice requirement contained in this Section 9(b) shall not apply. In the event of any termination with respect to one or more, but less than all, services to be provided hereunder, this Agreement will continue in full force and effect with respect to any services not terminated.

(c) Notwithstanding Section 9(a) above, either Equifax or Certegy, as the provider or recipient of a particular service, may terminate a particular service being provided under an applicable Exhibit if the other party materially breaches any of the terms hereof or of such applicable Exhibit if the breach is not cured within thirty (30) days after written notice of breach is delivered to the breaching party; provided, however, that if the breach is not capable of

5

being cured within such thirty (30) day period and the breaching party is proceeding to cure the breach with reasonable diligence, the cure period shall be extended to sixty (60) days.

(d) Notwithstanding Section 9(a) above, this Agreement may be terminated in its entirety in accordance with any of the following:

(i) Upon written agreement of the parties;

(ii) By either Certegy or Equifax for material breach by the other of any of the terms hereof if the breach is not cured within thirty (30) days after written notice of breach is delivered to the breaching party; provided, however, that if the breach is not capable of being cured within such thirty (30) day period and the breaching party is proceeding to cure the breach with reasonable diligence, the cure period shall be extended to sixty (60) days;

(iii) By either Certegy or Equifax, upon written notice to the other if the other becomes insolvent or makes an assignment of substantially all of its assets for the benefit of creditors, or is placed in receivership, reorganization, liquidation or bankruptcy;

(iv) By Equifax, upon written notice to Certegy, if, for any reason, the ownership or control of Certegy or any of Certegy's operations, becomes vested in, or is made subject to the control or direction of, any direct competitor of Equifax or one of its subsidiaries, but such termination shall be applicable only with respect to services provided by Equifax to the portion of Certegy's businesses that has been affected by the change in control; or

(v) By Certegy, upon written notice to Equifax, if for any reason, the ownership or control of Equifax or any of Equifax's operations becomes vested in, or is made subject to the control or direction of, any direct competitor of Certegy or one of its subsidiaries, but such termination shall be applicable only with respect to services provided by Certegy to the portion of Equifax's businesses that has been affected by the change in control.

(e) Upon any termination or expiration pursuant to this Section 9, Equifax and Certegy shall be compensated for all services performed to the date of termination or expiration in accordance with the provisions of this Agreement, and Equifax and Certegy, as the case may be, will consider hiring (but shall not be obligated to hire) certain employees of the other identified by the other prior to the termination or expiration to the extent that Equifax or Certegy, as the case may be, does not contract with third parties to provide the services rendered by Equifax or Certegy pursuant to this Agreement.

(f) Upon termination or expiration of this Agreement (or an Exhibit, as the case may be), all rights and obligations of the parties under this Agreement (or such Exhibit, as the case may be) will immediately cease and terminate (except for the rights and obligations

During the term of this Agreement, each member of the Equifax Group and of the Certegy Group will permit employees and agents of the members of the other Group access to its premises if reasonably necessary to receive any of the services provided hereunder. While on the premises of the other Group,

the employees and agents of the visiting party shall abide by the rules and regulations of the hosting party. The visiting party shall indemnify, defend and hold the hosting party harmless from and against any and all damages, losses, costs and expenses suffered or incurred by reason of damage to person or property caused by the gross negligence or willful misconduct of its employees or agents while on the premises of the hosting party.

11. Amendment and Waiver. This Agreement may not be altered or amended, nor may any rights hereunder be waived, except by an instrument in writing executed by the party or parties to be charged with such amendment or waiver. No waiver of any terms, provision or condition of or failure to exercise or delay in exercising any rights or remedies under this Agreement, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such term, provision, condition, right or remedy or as a waiver of any other term, provision or condition of this Agreement.

12. Force Majeure. Any delays in or failure of performance by Equifax or Certegy shall not constitute a default hereunder if and to the extent such delay or failure of performance is caused by occurrences beyond the reasonable control of Equifax or Certegy, as the case may be, including, but not limited to: acts of God or the public enemy; compliance with any order or request of any governmental authority; acts of war; riots or strikes or other concerted acts of personnel; network failures or failures in communications; the wrongful termination of any Third Party Agreement (as defined in Section 20 below) by such third party; or any other causes beyond the reasonable control of Equifax or Certegy, whether or not of the same class or kind as those specifically named above; provided that the affected party must (a) promptly notify the other party in writing and furnish all relevant information concerning the event of force majeure; (b) use reasonable efforts to avoid or remove the cause of its non-performance; and (c) proceed to perform its obligations with dispatch when such cause is removed.

18. Entire Agreement. Except as set forth in the Intercompany Data Purchase Agreement (the "Data Purchase Agreement") and the Intellectual Property Agreement (the "Intellectual Property Agreement"), each executed as of the date hereof by the parties hereto, this Agreement, including all Exhibits hereto, constitutes the entire understanding of the parties hereto with respect to the subject matter hereof, superseding all negotiations, prior discussions and prior agreements and understandings relating to such subject matter. All Exhibits attached hereto are by this reference made a part of this Agreement and are incorporated herein.

19. Severability. The provisions of this Agreement are severable and should any provision hereof be void, voidable or unenforceable under any applicable law, such provision shall not affect or invalidate any other provision of this Agreement, which shall continue to govern the relative rights and duties of the parties as though such void, voidable or unenforceable provision were not a part hereof.

20. Third Party Agreements.

(a) Equifax and Certegy recognize that certain support services described on the Exhibits hereto and certain related software and hardware licenses ("Licenses") are provided by third parties under specific third party agreements ("Third Party Agreements"). Equifax and Certegy further recognize that the Third Party Agreements may have been entered into by either Equifax or Certegy and that the other receives support services and Licenses as a result of the Third Party Agreements. Equifax and Certegy shall (i) use their respective commercially reasonable efforts to cause the third party providers to continue to provide the support and Licenses to the other under the terms of the Third Party Agreements as in effect as of the Effective Time if such support or Licenses (as applicable) are necessary for a party to provide or receive the services described herein and (ii) if successful in causing third party providers to provide support and Licenses to the other party, pass through to the other party any service levels to which Equifax or Certegy is entitled under such Third Party Agreements. In the event that a Third Party Agreement terminates prior to the expiration of the term for the related services described on the applicable Exhibit hereto, the parties shall use their reasonable commercial efforts to secure an alternative method of making the services or Licenses available to the recipient of such services or Licenses, which alternative has terms and results in economic benefits and burdens to the parties which are substantially similar to those that exist as of the date hereof.

(b) In the event that either Equifax or Certegy allows a member of the other party's Group to use software or hardware that is licensed from a third party under a Third Party Agreement, the other party shall abide by the applicable terms and conditions of such Third Party Agreement.

21. Further Assurances and Consents. In addition to the actions specifically provided for elsewhere in this Agreement, each of the parties hereto will use its reasonable

10

efforts to (a) execute and deliver such further instruments and documents and take such other actions as the other party may reasonably request in order to effectuate the purposes of this Agreement and to carry out the terms hereof and (b) take, or cause to be taken, all actions, and do, or cause to be done, all things, reasonably necessary, proper or advisable under applicable laws, regulations and agreements or otherwise to consummate and make effective the transactions contemplated by this Agreement, including, without limitation, using its reasonable efforts to obtain any consents and approvals and make any filings and applications; provided that no party hereto shall be obligated to pay any consideration therefor (except for filing fees and other similar charges) to any third party from whom such consents, approvals and amendments are requested or to take any action or omit to take any action if the taking of or the omission to take such action would be unreasonably burdensome to the party or its Group or the business thereof.

22. Governing Law. This Agreement shall be construed in accordance with, and governed by, the laws of the State of Georgia, without regard to the conflicts of law rules of such state. Notwithstanding the foregoing, if all of the providers and recipients of services under a particular Exhibit are residents of the same country (other than the United States), this Agreement shall be construed in accordance with, and governed by, the laws of such country with respect to such Exhibit only.

23. Disputes. Any disputes arising under this Agreement shall be resolved in accordance with Section 15.10 of the Distribution Agreement; provided, however, that if all of the providers and recipients of services under a particular Exhibit are residents of the same country (other than the United States), the following terms will apply in place of those described in Sections 15.10(c) and 15.10(d) of the Distribution Agreement, with respect to disputes arising under such Exhibit only: (a) the third arbitrator as described in Section 15.10(c) of the Distribution Agreement shall be a lawyer licensed to practice in such country, (b) all questions of law shall be governed by the laws of such country and (c) the arbitration described in Section 15.10(d) of the Distribution Agreement shall be conducted in such country (or such other place as agreed upon by the parties and the arbitrators).

C. The Board of Directors of Certegy has determined that it is in the best interests of Certegy and its shareholders to transfer, assign and/or license to, or acquire on behalf of, Equifax and Designated Equifax Members (defined below) certain intellectual property assets.

D. The parties intend that the Distribution (as defined in the Distribution Agreement) not be taxable to Equifax or its shareholders pursuant to Section 355 of the Code (as defined below).

E. Equifax and its Affiliates (defined below) own certain intellectual property that is used in, or may be useful in, the conduct of the business operations of the Equifax Group (defined below) and/or the Certegy Group. Equifax and Certegy have determined that subject to the terms herein: (1) ownership of certain of such intellectual property shall be transferred to the entity specified in this Agreement on or before the Distribution Date (defined below); (2) certain intellectual property owned by Equifax and/or its Affiliates shall be licensed to the entity(ies) specified in this Agreement on or before the Distribution Date; and (3) the respective rights and obligations of Equifax and/or its Affiliates under certain Third Party Agreements (defined below) shall be acquired, assumed or otherwise transferred to the entity(ies) specified in this Agreement, subject to the consent of the applicable Third Party Provider (defined below).

F. The parties have determined that it is necessary and desirable to describe the principal transactions required to effect the allocation of their respective intellectual property rights in conjunction with the Distribution and to set forth other agreements that will govern certain other matters regarding the parties' respective intellectual property rights following the Distribution.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual agreements and covenants contained in this Agreement, and other valuable

Effective as of the Closing Date, and subject to Sections 2.3 and 2.4 and Article III hereof, Certegy agrees to transfer, or cause to be transferred, to Equifax or to a Designated Equifax Member all right, title and interest held by the members of the Certegy Group as of the Closing Date in and to each of the assets identified on Exhibit E, subject to the retained rights

Except as set forth on Exhibit E, no other assets (other than Transferred Certegy Third Party Agreements) are being transferred by Certegy (or a member of the Certegy Group) pursuant to this Agreement. The expenses payable to third parties that are not members of either Group to effect such transfers shall be the financial responsibility of Equifax.

Equifax and Certegy shall timely cooperate with each other in order to facilitate the proper and timely publication of such periodic Required Consents list. If any Required Consent is not obtained with respect to any of the Third Party Agreements or Third Party Use Rights, the parties shall cooperate with each other in achieving a reasonable alternative arrangement for the affected Group to continue to process its work with minimum interference to its business operations until such Required Consents are obtained, including without limitation, implementing the provisions of Section 2.4(b). Except as otherwise provided in Section 3.1 and the exhibits referenced therein, the cost payable to third parties that are not members of either Group of achieving such

(b) The parties acknowledge and agree that as of the Closing Date, the UK

mainframe environment, consisting of mainframe computer hardware ("Mainframe Hardware") and certain third party software ("OEM Software"), currently consists of three (3) logical partitions ("LPARs"), two (2) of which are shared between Equifax and Certegy. The parties acknowledge and agree that certain OEM Software ("MIPS-Based Software") being used on the Mainframe Hardware contains limitations based upon the number of millions of instructions per second ("MIPS") performed; other OEM Software ("CPU-Based Software") being used on the Mainframe Hardware contains limitations based upon CPU group ratings. The parties also acknowledge and agree that they have previously determined the number of MIPS available, for each party, in excess of the current combined MIPS usage, in connection with the MIPS-Based Software ("Projected MIPS"), and in connection with the CPU-Based Software ("Overhead MIPS"), both as set forth on Exhibit N. With respect to the foregoing, the parties hereby agree as follows:

(i) Certegy agrees that it shall, no later than March 31, 2002, establish, or cause to be established, one or more new and separate LPAR(s) and that Certegy shall no longer share any LPAR with Equifax. Certegy shall be responsible for paying any and all additional software license fees, service fees, fees related to hardware, or other similar fees incurred to establish the new LPAR(s) and to migrate from the existing to the new LPAR(s). Notwithstanding anything contained herein to the contrary, if the deadline for LPAR separation is not met by Certegy prior to March 31, 2002, any costs or fees, including all fees, costs or expenses incurred as a result of

18

increased capacity or speed requirements or otherwise, incurred by either party due to the non-separation shall be borne by Certegy.

(ii) If either party, prior to or at the time of the complete separation of LPARs (described in subsection (i) above), exceeds its respective Projected MIPS for any year, and, thereafter, any of the MIPS-Based Software is required, under the terms of the respective software licenses, to be upgraded to allow usage of the additional MIPS, the party first exceeding its respective Projected MIPS ("Triggering Party") shall bear the full cost and expense of upgrading the MIPS-Based Software licenses (whether or not such party ultimately caused the MIPS limitations to be exceeded). Notwithstanding the foregoing, at any time after an upgrade to a MIPS-Based Software license is purchased, if the non-Triggering Party exceeds its Projected MIPS during a respective year, such non-Triggering Party shall pay the Triggering Party an amount equal to the total cost to the Triggering Party of purchasing the upgrade multiplied by a fraction, the numerator of which is the number of MIPS used by the non-Triggering Party that exceeds its original Projected MIPS, and the denominator of which is the total number of MIPS permitted or allowable pursuant to the MIPS-Based Software upgrade, but excluding the total number of MIPS permitted prior to the upgrade.

(iii) If either party, prior to or at the time of the complete separation of LPARs (described in subsection (i) above), exceeds its respective Overhead MIPS for any year, and, thereafter, the CPU-Based Software is required, under the terms of the respective software licenses, to be upgraded to allow usage of the additional MIPS, the party first exceeding its respective Overhead MIPS ("CPU Triggering Party") shall bear the full cost and expense of upgrading the CPU-Based Software licenses (whether or not such party ultimately caused the MIPS limitations to be exceeded). Notwithstanding the foregoing, at any time after an upgrade to a CPU-Based Software license is purchased, if the other party ("non-CPU Triggering Party") exceeds its Overhead MIPS during a respective year, such non-CPU Triggering Party shall pay the CPU Triggering Party an amount equal to the total cost to the CPU Triggering Party of purchasing the upgrade multiplied by a fraction, the numerator of which is the number of MIPS used by the non-CPU Triggering Party that exceeds its original Overhead MIPS, and the denominator of which is the total number of MIPS permitted or allowable pursuant to the CPU-Based Software upgrade, but excluding the total number of MIPS permitted prior to the upgrade.

(iv) The rules related to OEM Software upgrade requirements described in subsections (ii) and (iii) above shall apply in the same manner, before or after the completion of the LPAR separation, with respect to Mainframe Hardware upgrade requirements.

(v) Notwithstanding the foregoing, Certegy shall cease the use of any software or hardware that is shared between the parties no later than the date which is two (2) years following the Closing Date.

(c) The parties acknowledge that the Licensed Materials are "intellectual property" within the meaning of Section 101 of the Federal Bankruptcy Act and shall be subject to Section 365(n) thereof, all as set forth in the Intellectual Property Bankruptcy Protection Act, Public Law 100-506, 102 Stat. 2538.

19

(d) In full and complete payment of the licenses granted in this Agreement, the parties have made the payment described in the Distribution Agreement as set forth in the Distribution Agreement.

(e) Each party shall notify the other party of any involuntary attachment

or other judicial process affecting the Licensed Materials.

ARTICLE V

THE CLOSING

Section 5.1. Equifax Deliverables.

On or before the Distribution Date, and effective as of the Closing Date, Equifax will, and/or will cause each member of the Equifax Group to, deliver to Certegy each of the following:

(a) Duly executed assignment and assumption agreements necessary for the assignment and transfer to, and the assumption by Certegy of, the Transferred Equifax Assets and Transferred Equifax Third Party Agreements;

(b) Duly executed assignment and assumption agreements necessary for the assignment and transfer to, and the assumption by Equifax of, the Equifax Liabilities; and

(b) Duly executed assignment and assumption agreements necessary for the assignment and transfer to, and the assumption by Certegy of, the Certegy Liabilities; and

(c) Such other agreements, documents or instruments as the parties may agree are necessary or desirable in order to achieve the purposes of this Agreement.

20

ARTICLE VI

REPRESENTATIONS AND WARRANTIES

Except as expressly set forth in this Agreement or any Related Agreement, neither any member of the Equifax Group, nor any member of the Certegy Group, has given or is giving any representation or warranty regarding the assets or Liabilities retained, transferred, assumed or licensed as contemplated hereby or thereby, including without limitation, (i) title to the assets, (ii) validity of the Liabilities, (iii) any lien, claim or other encumbrance affecting the assets or Liabilities, or (iv) the value of the assets and the amount of the Liabilities. Except as may be expressly set forth in this Agreement or any Related Agreement, all assets and Liabilities were, or are being, transferred, assigned, licensed, assumed, or are being retained, on an "AS IS," "WHERE IS" basis and the respective transferees, licensees and assignees will bear the economic and legal risks that any such conveyance (x) shall prove to be insufficient to vest in the transferee a title that is free and clear of any lien, claim or other encumbrance, or (y) shall not constitute an infringement of a third party's rights.

ARTICLE VII

INDEMNIFICATION

Section 7.1. Certegy Indemnification of the Equifax Group.

If the Distribution occurs, on and after the Distribution Date, Certegy shall indemnify, defend and hold harmless each member of the Equifax Group, and each of their respective directors, officers, employees and agents (collectively the "Equifax Indemnitees") from and against any and all damage, loss, liability and expense, (including without limitation, reasonable expenses of investigation and reasonable attorneys' fees and expenses) in connection with any and all Actions or threatened Actions (collectively, "Indemnifiable Losses") incurred or suffered by any of the Equifax Indemnitees and arising out of, or due to, the failure of Certegy, or any other member of the Certegy Group, to timely pay, perform or otherwise discharge, any of the Certegy Liabilities or its obligations under this Agreement.

21

Section 7.2. Equifax Indemnification of the Certegy Group.

If the Distribution occurs, on and after the Distribution Date, Equifax shall indemnify, defend and hold harmless each member of the Certegy Group and each of their respective directors, officers, employees and agents (collectively the "Certegy Indemnitees") from and against any and all Indemnifiable Losses incurred or suffered by any of the Certegy Indemnitees and arising out of, or due to, the failure of Equifax, or any other member of the Equifax Group, to timely pay, perform or otherwise discharge, any of the Equifax Liabilities or its obligations under this Agreement or any Related Agreement.

Section 7.3. Insurance and Third Party Obligations.

No insurer or any other third party shall be, by virtue of the foregoing indemnification provisions, (a) entitled to a benefit it would not be entitled to receive in the absence of such provisions, (b) relieved of the responsibility to pay any claims to which it is obligated, or (c) entitled to any subrogation rights with respect to any obligation hereunder.

ARTICLE VIII

INDEMNIFICATION PROCEDURES

Section 8.1. Notice and Payment of Claims.

If any Equifax Indemnitee or Certegy Indemnitee (the "Indemnified Party") determines that it is or may be entitled to indemnification by a party (the "Indemnifying Party") under Article VII (other than in connection with any Action or claim subject to Section 8.2), the Indemnified Party shall deliver to the Indemnifying Party a written notice specifying, to the extent reasonably practicable, the basis for its claim for indemnification and the amount for which the Indemnified Party reasonably believes it is entitled to be indemnified. After the Indemnifying Party shall have been notified of the amount for which the Indemnified Party seeks indemnification, the Indemnifying Party shall, within thirty (30) days after receipt of such notice, pay the Indemnified Party such amount in cash or other immediately available funds (or reach agreement with the Indemnified Party as to a mutually agreeable alternative payment schedule) unless the Indemnifying Party objects to the claim for indemnification or the amount thereof. If the Indemnifying Party does not give the Indemnified Party written notice objecting to such claim and setting forth the grounds therefor within the same thirty (30) day period, the Indemnifying Party shall be deemed to have acknowledged its liability for such claim and the Indemnified Party may exercise any and all of its rights under applicable law to collect such amount. Any amount owed under this Section 8.1 that is past due shall bear interest at a simple rate of interest per annum equal to the lesser of 1% per month or the maximum amount permitted by law.

Section 8.2. Notice and Defense of Third Party Claims.

(a) Promptly following the earlier of (i) receipt of notice of the commencement by a third party of any Action against or otherwise involving any Indemnified Party, or (ii) receipt of information from a third party alleging the existence of a claim against an Indemnified Party,

22

with respect to which indemnification may be sought pursuant to this Agreement (a "Third Party Claim"), the Indemnified Party shall give the Indemnifying Party written notice thereof. The failure of the Indemnified Party to give notice as provided in this Section 8.2(a) shall not relieve the Indemnifying Party of its obligations under this Agreement, except to the extent that the Indemnifying Party is prejudiced by such failure to give notice. Within thirty (30) days after receipt of such notice, the Indemnifying Party shall by giving written notice thereof to the Indemnified Party, (i) acknowledge, as between the parties hereto, liability for and, at its option, elect to assume the defense of such Third Party Claim at its sole cost and expense, or (ii) object to the claim of indemnification set forth in the notice delivered by the Indemnified Party pursuant to the first sentence of this Section 8.2(a) setting forth the grounds therefor; provided that if the Indemnifying Party does not within the same thirty (30) day period give the Indemnified Party written notice acknowledging liability or objecting to such claim and setting forth the grounds therefor, the Indemnifying Party shall be deemed to have acknowledged, as between the parties hereto, its liability for such Third Party Claim.

(b) Any contest of a Third Party Claim as to which the Indemnifying Party has elected to assume the defense shall be conducted by attorneys employed by the Indemnifying Party and reasonably satisfactory to the Indemnified Party; provided that the Indemnified Party shall have the right to participate in such proceedings and to be represented by attorneys of its own choosing at the Indemnified Party's sole cost and expense. If the Indemnifying Party assumes the defense of a Third Party Claim, the Indemnifying Party may settle or compromise the claim without the prior written consent of the Indemnified Party; provided that the Indemnifying Party may not agree to any such settlement pursuant to which any such remedy or relief, other than monetary damages for which the Indemnifying Party shall be responsible hereunder, shall be applied to or against the Indemnified Party without the prior written consent of the

Indemnified Party, which consent shall not be unreasonably withheld.

(c) If the Indemnifying Party does not assume the defense of a Third Party Claim for which it has acknowledged liability for indemnification under Article VII, the Indemnified Party may require the Indemnifying Party to reimburse it on a current basis for its reasonable expenses of investigation, reasonable attorneys' fees and reasonable out-of-pocket expenses incurred in defending against such Third Party Claim and the Indemnifying Party shall be bound by the result obtained with respect thereto by the Indemnified Party; provided that the Indemnifying Party shall not be liable for any settlement effected without its consent, which consent shall not be unreasonably withheld. The Indemnifying Party shall pay to the Indemnified Party in cash the amount for which the Indemnified Party is entitled to be indemnified (if any) within fifteen (15) days after the final resolution of such Third Party Claim (whether by settlement, compromise, or by the final nonappealable judgment of a court of competent jurisdiction or otherwise), or, in the case of any Third Party Claim as to which the Indemnifying Party has not acknowledged liability, within fifteen (15) days after the Indemnifying Party's objection has been resolved by settlement, compromise, or the final nonappealable judgment of a court of competent jurisdiction.

(d) Notwithstanding the foregoing, in no event shall either Equifax or Certegy, or any Member of their respective Group, have any liability, whether based on contract, tort (including, without limitation, negligence or strict liability), warranty or any other legal or equitable

23

grounds, for any punitive, consequential, indirect, exemplary, special or incidental loss or damage suffered by the other arising from or related to this Agreement, including without limitation, loss of data, profits, interest or revenue, or interruption of business, even if such party has been informed of or might otherwise anticipated or foreseen the possibility of such losses or damages; provided, however, that such limitations shall not apply to liabilities which may arise as the result of willful misconduct of a party. Notwithstanding the foregoing, any damages awarded or obtained (whether by settlement, compromise or judgment) as a result of Third Party Claims shall be considered direct damages for purposes of this Agreement.

ARTICLE IX

CONFIDENTIALITY

Section 9.1. Exclusions.

Notwithstanding anything to the contrary contained in this Agreement, "Company Information" does not include any information that before being divulged by the receiving party (a) has become generally known to the public through no wrongful act of the receiving party; (b) has been rightfully received by the receiving party from a third party without restriction on disclosure and without, to the knowledge of the receiving party, a breach of an obligation of confidentiality running directly or indirectly to the disclosing party; (c) has been approved for release to the general public by a written authorization of the disclosing party; (d) has been independently developed by the receiving party without use, directly or indirectly, of Company Information received from the disclosing party; or (e) has been furnished to a third party by the disclosing party without restrictions on the third party's rights to disclose the information.

Section 9.2. Confidentiality.

(a) Each party acknowledges, and shall cause each member of the Group to acknowledge, that it is in possession of significant confidential or proprietary information concerning the business, operations and assets of the members of the other Group.

(b) Each party shall, and shall ensure that each member of its Group shall, (i) receive and hold the Company Information of the other Group in trust and in strictest confidence; (ii) protect such Company Information from disclosure and in no event take any action causing, or fail to take the action necessary in order to prevent, any such Company Information to lose its character as Company Information; (iii) exercise at a minimum the same care it would exercise to protect its own highly confidential information; and (iv) not use, reproduce, distribute, disclose, or otherwise disseminate the Company Information of the other Group, (A) except as authorized pursuant to this Agreement or any Related Agreement, or (B) except pursuant to a requirement of a governmental agency or of law without similar restrictions or other protections against public disclosure; provided, however, with respect to disclosures pursuant to (B) above, the receiving party must first give written notice of such required disclosure to the disclosing party, take reasonable steps to allow the disclosing party to seek to protect the confidentiality of the Company Information required to be disclosed, make a reasonable effort to obtain a protective order requiring that the Company Information so disclosed be used only for the purposes for which disclosure is required, and shall disclose only that part of the Company Information

which, in the written opinion of its legal counsel, it is required to disclose. In no event shall the receiving party exercise less than a reasonable standard of care to keep confidential the Company Information. Any and all reproductions of such Company Information must prominently contain a confidential legend.

(c) The receiving party may make disclosures of the Company Information of the disclosing party only to Representatives of the receiving party's Group (i) who have a specific need to know such information; and (ii) who the receiving party has obligated under a written agreement to hold such Company Information in trust and in strictest confidence and otherwise to comply with the terms and provisions of this Agreement or terms and conditions substantially similar to and implementing the same restrictions and covenants as those set forth in this Agreement. Certegy and Equifax agree, and shall ensure that each member of their respective Group agrees, to diligently monitor each such Representative, diligently enforce such agreements with its Representatives, and, upon request by the other party, promptly to furnish to the other party a certified list of the receiving party's Representatives having had access to such Company Information.

(d) The covenants of confidentiality set forth in this Agreement (i) will apply after the Closing Date to all Company Information disclosed to the receiving party before, on and after the Closing Date and (ii) will continue and must be maintained from the Closing Date through the termination of the relationship under this Agreement between Equifax and Certegy (A) with respect to Proprietary Information, the period during which the Proprietary Information constituting a part of the Company Information retains its status as a "trade secret" under applicable law; and (B) with respect to Confidential Information constituting a part of the Company Information, for the shorter of a period equal to three (3) years after the Closing Date, or until such Confidential Information no longer qualifies as confidential under applicable law.

Section 9.3. Employee Confidentiality Agreements.

The members of each Group have entered into confidentiality and non-disclosure agreements with their respective employees. To the extent that any employee during or after employment violates any such agreement and such violation is or may in the future be to the detriment of the other Group, at the written request of the affected party, the other party shall, or shall cause the appropriate members of its Group to, promptly bring and diligently pursue an action against such employee if and to the extent reasonable under the circumstances to preserve the value of the assets and Licensed Materials. The Group member employing the employee violating his/her confidentiality and non-disclosure agreement shall have the unilateral right to determine the forum for, the manner of proceeding in, and legal counsel for such action and shall be entitled to any damages or other relief against such employee awarded in such action to the extent related to such Group's assets or business or to the Licensed Materials. Such enforcement against and recovery by a Group member from its breaching employee shall not constitute a release or sole remedy for the members of the other Group injured by such breaching employee's actions, and such members of the other Group may bring a claim against the Group members employing the breaching employee for a breach of this Agreement. Each party shall bear all out-of-pocket costs of pursuing such action and the other party shall cooperate in connection therewith.

Section 9.4. Rights and Remedies.

(a) If either party, or any member of the Group, should breach or threaten to breach any of the provisions of this Agreement, the non-breaching party, in addition to any other remedies it may have at law or in equity, will be entitled to a restraining order, injunction, or other similar remedy in order to specifically enforce the provisions of this Agreement. Each party specifically acknowledges, and shall cause each member of its respective Group to acknowledge, that money damages alone would be an inadequate remedy for the injuries and damage that would be suffered and incurred by the non-breaching party as a result of a breach of any of the provisions of this Agreement. In the event that either party, or a member of such party's Group, should seek an injunction hereunder, the other party hereby waives, and shall cause each member of its Group to waive, any requirement for the submission of proof of the economic value of any Company Information or the posting of a bond or any other security. In the event of a dispute between the parties, the non-prevailing party shall pay all costs and expenses associated with resolving the dispute, including, but not limited to, reasonable attorneys' fees.

(b) The receiving party shall notify the disclosing party immediately upon discovery of any unauthorized use or disclosure of Company Information, or any other breach of this Agreement by the receiving party or any Representative of the receiving party's Group, and will cooperate with the disclosing party in every reasonable way to help the disclosing party regain possession of its Company Information and prevent its further unauthorized use or disclosure. The receiving party shall be responsible for the acts of any Representative of its

Group that are in violation of this Agreement.

Section 9.5. Competitive Activities.

(a) Subject to the rights and obligations set forth in this Article IX, each party understands and acknowledges that the other party's Group may now market or have under development products that are competitive with products or services now offered or that may be offered by it and/or members of its Group, and the parties' communications hereunder will not serve to impair the right of either party, or any member of its respective Group, to independently develop, make, use, procure, or market products or services now or in the future that may be competitive with those offered by the other party's Group, nor require either party, and/or the members of its Group, to disclose any planning or other information to the other party.

(b) Neither party will be restricted in using, in the development, manufacturing and marketing of its products and services and its operations, any data processing or network management or operation ideas, concepts, know-how and techniques which are retained in the minds of employees who have had access to the other party's Company Information subject to the restrictions set forth in this Agreement.

Section 9.6. No Implied Rights.

Except as provided herein or in any Related Agreement, all Company Information is and shall remain the property of the disclosing party and/or the respective member of its Group. By disclosing Company Information to the receiving

26

party's Group, the disclosing party and/or the members of its Group do(es) not grant any express or implied rights or license to the receiving party's Group to or under any patents, patent applications, inventions, copyrights, trademarks, trade secret information, or other intellectual property rights heretofore or hereafter possessed by the disclosing party and/or the members of its Group.

ARTICLE X

CONTINUED ASSISTANCE

Section 10.1. Continued Assistance and Transition.

(a) Following the Closing Date, Equifax shall, and shall cause each member of the Equifax Group to, cooperate in an orderly transfer of the Transferred Equifax Assets and the Transferred Equifax Third Party Agreements to Certegy or the respective Designated Certegy Member. From time to time, at Certegy's request and without further consideration, Equifax shall, and shall cause each member of the Equifax Group, as applicable, to execute, acknowledge and deliver such documents, instruments or assurances and take such other action as Certegy may reasonably request to more effectively assign, convey and transfer any of the Transferred Equifax Assets and the Transferred Equifax Third Party Agreements. Equifax will assist Certegy in the vesting, collection or reduction to possession of such Transferred Equifax Assets and Transferred Equifax Third Party Agreements.

(b) Following the Closing Date, Certegy shall, and shall cause each member of the Certegy Group to, cooperate in an orderly transfer of the Transferred Certegy Assets and Transferred Certegy Third Party Agreements to Equifax or the respective Designated Equifax Member. Certegy will assist Equifax in the vesting, collection or reduction to possession of such Transferred Certegy Assets and Transferred Certegy Third Party Agreements.

Section 10.2. Records and Documents.

(a) As soon as practicable following the Closing Date, Equifax and Certegy shall each arrange for the delivery to the other of existing corporate and other documents (e.g. documents of title, source code, contracts, etc.) in its possession relating to the Transferred Assets, Transferred Third Party Agreements and assumed Liabilities.

(b) From and after the Closing Date, Equifax and Certegy shall each, and shall cause each member of its Group to, afford the other and its accountants, counsel and other designated Representatives reasonable access (including using reasonable efforts to give access to person or firms possessing such information) and duplicating rights during normal business hours to all records, books, contracts, instruments, computer data and other data and information in its possession relating to the assets, Liabilities, Licensed Materials, business and affairs of the other (other than data and information subject to any

attorney/client or other privilege), insofar as such

27

access is reasonably required by the other, including without limitation, for audit, accounting and litigation purposes.

(c) Notwithstanding the foregoing, either party may destroy or otherwise dispose of any information at any time in accordance with the corporate record retention policy maintained by such party with respect to its own records.

Section 10.3. Litigation Cooperation.

Upon written request, Equifax and Certegy shall, and shall cause each member of its Group to, use reasonable efforts to cooperate in the evaluation and defense of third party Actions arising out of the business of the other party or of any member of the other party's Group prior to the Distribution Date in which the requesting party or any member of its Group may from time to time be involved, at the cost and expense of the requesting party. Such cooperation shall include, without limitation, making its Representatives available as witnesses or consultants to the extent that such persons may reasonably be required in connection with such third party Actions.

No waiver of any terms, provision or condition of or failure to exercise or delay in exercising any rights or remedies under this Agreement, in any one or more instances, shall be deemed to be, or construed as, a further continuing waiver of any such term, provision, condition, right or remedy or as a waiver of any other term, provision or condition of this Agreement.

Section 11.7. Severability.

The provisions of this Agreement are severable and should any provision hereof be void, voidable or unenforceable under any applicable law, such provision shall not affect or invalidate any other provision of this Agreement, which shall continue to govern the relative rights and duties of the parties as though such void, voidable or unenforceable provision were not a part hereof.

AGREEMENT REGARDING LEASES

THIS AGREEMENT REGARDING LEASES (this "Agreement") is made and entered into as of the 30th day of June, 2001, by and between EQUIFAX INC., a Georgia corporation ("Equifax"), and CERTEGY PAYMENT SERVICES, INC. (f/k/a Equifax Payment Services, Inc.), a Delaware corporation ("Certegy Payment Services").

W I T N E S S E T H:

WHEREAS, Certegy Payment Services is currently a wholly-owned subsidiary of Equifax;

WHEREAS, Equifax presently intends to transfer and assign to Certegy Inc., a Georgia corporation ("Certegy"), as a contribution to the capital of Certegy, the capital stock of Certegy Payment Services and certain related assets (the "Spin Transaction"); and

WHEREAS, each of Certegy Payment Services and its subsidiaries (collectively, the "Certegy Payment Services Group"; the persons and entities composing the Certegy Payment Services Group are herein referred to as "Certegy Payment Services Group Companies") and Equifax and its subsidiaries other than those that compose the Certegy Payment Services Group Companies (collectively, the "Equifax Group"; the persons and entities composing the Equifax Group are herein referred to as "Equifax Group Companies") have entered into certain Lease Agreements and Lease Guarantees, and the parties hereto desire to agree upon certain matters with respect to such Lease Agreements and Lease Guarantees in connection with the Spin Transaction, as set forth in this Agreement.

NOW, THEREFORE, for and in consideration of the sum of Ten and No/100 Dollars (\$10.00), the foregoing premises and the respective undertakings of the parties, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Equifax and Certegy Payment Services hereby agree as follows:

1. Certegy Payment Services Group Leases; Equifax Guarantees.

(a) Certegy Payment Services Group Leases. Certain Certegy

Payment Services Group Companies are currently the "tenants" or "lessees" under those certain Lease Agreements identified on Exhibit "A" attached hereto and incorporated herein (the "Certegy Payment Services Group Leases"), and such Certegy Payment Services Group Companies will continue to be the "tenants" or "lessees" under their Lease Agreements immediately after the consummation of the Spin Transaction. The parties intend that the Spin Transaction shall not constitute an assignment or other transfer under any of the Certegy Payment Services Group Leases that would require the consent of the "landlord" or "lessor" thereunder, but, in the event the Spin Transaction is deemed to be such an assignment or other transfer under any of the Certegy Payment Services Group Leases, then Equifax and Certegy Payment Services hereby agree to reasonably cooperate with each other in obtaining any such required consent of the "landlord" or "lessor" thereunder. Certegy Payment Services shall, and hereby agrees to,

indemnify, defend and hold Equifax harmless from, against and in respect of any actions, causes of action, suits, claims, demands, judgments, or proceedings asserted against, imposed upon or suffered or incurred by Equifax, and from, against and in respect of any liabilities, damages, losses, costs, expenses (including counsel fees and expenses and disbursements of counsel), amounts of judgment, assessments, fines or penalties, and amounts paid in compromise or settlement, asserted against, imposed upon or suffered or incurred by Equifax, in connection with or arising out of or by reason of any one or more of the Certegy Payment Services Group Leases in connection with the Spin Transaction or otherwise.

(b) Equifax Guarantees. Equifax has entered into lease guarantees

(the "Equifax Guarantees") with respect to the duties, obligations, liabilities, and responsibilities of the "tenant" or "lessee" under certain of the Certegy Payment Services Group Leases, as identified on Exhibit "B" attached hereto and

incorporated herein. Certegy Payment Services shall, and hereby agrees to, indemnify, defend and hold Equifax harmless from, against and in respect of any actions, causes of action, suits, claims, demands, judgments, or proceedings asserted against, imposed upon or suffered or incurred by Equifax, and from, against and in respect of any liabilities, damages, losses, costs, expenses (including counselfees and expenses and disbursements of counsel), amounts of judgment, assessments, fines or penalties, and amounts paid in compromise or

settlement, asserted against, imposed upon or suffered or incurred by Equifax in connection with or arising out of or by reason of any one or more of the Equifax Guarantees. Without limiting any of the rights or remedies of Equifax under the Distribution Agreement (as hereinafter defined) or otherwise, Equifax shall be subrogated to the right, title, and interest of the "landlord" or "lessor" under each of the Equifax Guarantees and all rights or remedies of the "landlord" or "lessor" thereunder to the extent Equifax is required to honor any such Equifax Guarantees and to the extent permitted under the terms of the applicable Certegy Payment Services Group Lease.

2. Equifax Group Leases; Subletting; Assignment.

(a) Equifax Group Leases. Certain Equifax Group Companies are

currently the "tenants" or "lessees" under those certain Lease Agreements identified on Exhibit "C" attached hereto and incorporated herein (the "Equifax

Group Leases"), and all or a portion of the premises under each of such Equifax Group Leases are currently occupied by one or more Certegy Payment Services Group Companies. The parties desire that portions of the premises under certain Equifax Group Leases be sublet, and that certain of the Equifax Group Leases be assigned, to the Certegy Payment Services Group Company currently occupying all or a portion of the premises thereunder, as set forth in subparagraphs (b) and (c), below.

(b) Subletting. Certegy Payment Services Group Companies currently

occupy all or a portion of the premises under each of the Equifax Group Leases identified as "to be sublet" on Exhibit "C" hereto, which occupied portion of

each such premises is more particularly described on said Exhibit "C". Each of

the Equifax Group Companies that is the "tenant" or "lessee" under each such Equifax Group Lease (each as a "Sublandlord" hereunder) does hereby sublease to the Certegy Payment Services Company identified on said Exhibit "C" as the

"Subtenant" with respect to such Equifax Group Lease, and each such Subtenant does hereby sublease from its respective Sublandlord, for the term and on the terms and conditions

2

hereinafter provided in Exhibit "D" attached hereto and incorporated herein,

such portion of the premises under such Equifax Group Lease as is more particularly described in said Exhibit "C", and herein referred to, as the

"Sublet Premises". For purposes of Exhibit "D" and this Agreement, and with

respect to each such Equifax Group Lease, the term "Total Premises" means the entire "premises" under such Equifax Group Lease. In the event any such subletting requires the consent of the "landlord" or "lessor" under the applicable Equifax Group Lease, then the respective Sublandlord and Subtenant hereby agree to reasonably cooperate with each other in obtaining any such required consent. All statements, covenants, agreements, representations and warranties, if any, made herein (including, without limitation, in Exhibit "D"

hereto) by each Sublandlord shall be deemed to be made by such party only with respect to itself or to the Equifax Group Lease or Sublet Premises of such party, as the case may be, and shall not be deemed to be made by such party with respect to any other Sublandlord or to any other Equifax Group Lease or Sublet Premises, and each Sublandlord shall have liability and responsibility under this Agreement with respect to such subletting only in respect of the Sublet Premises of that Sublandlord and shall have no liability or responsibility in respect of any other Sublet Premises.

(c) Assignment. Certegy Payment Services Group Companies currently

occupy all or a portion of the premises under each of the Equifax Group Leases identified as "to be assigned" on Exhibit "C" hereto. Each of the Equifax Group

Companies that is the "tenant" or "lessee" under each such Equifax Group Lease (each as an "Assignor" hereunder) does hereby assign all of its right, title, and interest in and to its respective Equifax Group Lease to the Certegy Payment Services Company identified on said Exhibit "C" as the "Assignee" with respect

to such Equifax Group Lease, and each such Assignee does hereby assume all of the obligations, duties, responsibilities, and liabilities of the "tenant" or "lessee" under such Equifax Group Lease with respect to periods of time from and after the date of this Agreement, pursuant to and in accordance with the terms and conditions hereinafter provided in Exhibit "E" attached hereto and

incorporated herein. In the event any such assignment requires the consent of the "landlord" or "lessor" under the applicable Equifax Group Lease, then the

respective Assignor and Assignee hereby agree to reasonably cooperate with each other in obtaining any such required consent. All statements, covenants, agreements, representations and warranties, if any, made herein (including, without limitation, in Exhibit "E" hereto) by each Assignor shall be deemed to

be made by such party only with respect to itself or to the Equifax Group Lease of such party, as the case may be, and shall not be deemed to be made by such party with respect to any other Assignor or to any other Equifax Group Lease, and each Assignor shall have liability and responsibility under this Agreement with respect to such assignment only in respect of the Equifax Group Lease of that Assignor and shall have no liability or responsibility in respect of any other Equifax Group Lease.

3. Distribution Agreement.

(a) Compliance. Certegy Payment Services shall comply with, abide by

and perform all of the terms, covenants, conditions, agreements, requirements, restrictions and provisions of Section 2.08 of the Distribution Agreement (as hereinafter defined) as to the Certegy Payment Services Group Leases and the Equifax Guarantees and with respect to each Sublet Premises and the subleasing and assignments set forth in this Agreement. The term

3

"Distribution Agreement" means that certain Distribution Agreement dated as of the date of this Agreement executed by and between Equifax and Certegy in connection with the Spin Transaction.

(b) Dispute Resolution. Any disputes arising under this Agreement,

and any liability of either party with respect to the attorneys' fees or costs incurred by the other party with respect to such dispute, shall be resolved in accordance with Section 15.10 of the Distribution Agreement in the same manner and with the same effect as if said Section were set forth in full and at length herein and as if Certegy Payment Services and each Sublandlord and Assignee hereunder were the parties thereto other than Equifax, and as if Equifax and each Sublandlord and Assignor hereunder were the parties thereto other than Certegy, and said Section is hereby incorporated herein.

4. Further Assurances. From time to time after the date hereof,

each of Equifax and Certegy Payment Services, and any Sublandlord, Subtenant, Assignor, and Assignee, shall, upon written request, do all such additional and further acts, and shall execute and deliver all such additional and further assignments, subleases, and other instruments and documents, as any other party hereto may reasonably require to effectuate the terms and conditions of this Agreement.

5. General Provisions.

(a) Notices. Whenever any notice, demand or request is required or

permitted to be given by one party hereto to the other party under this Agreement, such notice, demand or request shall be in writing and shall be delivered by hand, be sent by registered or certified mail, postage prepaid, return receipt requested, or be sent by nationally recognized commercial courier for next business day delivery, to the addresses set forth below such party's respective execution hereof, or to such other addresses as are specified by written notice given in accordance herewith. All notices, demands or requests delivered by hand shall be deemed given upon the date so delivered; those given by mailing as hereinabove provided shall be deemed given on the date of deposit in the United States Mail; and those given by commercial courier as hereinabove provided shall be deemed given on the date of deposit with the commercial courier. (d) Defined Terms. Capitalized terms used in this Agreement shall

have the meanings ascribed to them at the point where first defined, irrespective of where their use occurs, with the same effect as if the definitions of such terms were set forth in full and at length every time such terms are used.

(g) Non-Waiver. Failure by any party to complain of any action, non-

action or breach of any other party shall not constitute a waiver of any aggrieved party's rights hereunder. Waiver by any party of any right arising from any breach of any other party shall not constitute a waiver of any other right arising from a subsequent breach of the same obligation or for any other default, past, present or future.

(h) Rights Cumulative. All rights, remedies, powers and privileges

conferred under this Agreement on the parties shall be cumulative of and in addition to, but not restrictive of or in lieu of, those conferred by law or at equity.
