Item 1.02 Termination of a Material Definitive Agreement.

The completion of the Transaction described below under Item 2.01 resulted in the termination, effective December 28, 2012, of an agreement pursuant to which certain credit reporting agencies owned by Computer Sciences Corporation (“CSC”) utilized the computerized credit database services of Equifax Inc. (the “Company”) and certain of its affiliates. Under the Agreement for Computerized Credit Reporting Services and Options to Purchase and Sell Assets dated August 1, 1988, among the Company, CSC and certain of their respective affiliates (as amended, the “Terminated Agreement”), CSC had retained ownership of its credit files and the revenues generated by its credit reporting activities, and the Company received a processing fee for maintaining the database and for each report supplied. The Terminated Agreement also provided the Company with an option to purchase CSC’s credit reporting business if there was a change in control of CSC while such agreement was in effect, and CSC had the option (the “Put Option”) to sell its credit reporting business to the Company. The Put Option was scheduled to expire on August 1, 2013, had an exercise price to be determined by a third-party appraisal process and was payable in cash within 180 days after any exercise of the Put Option.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 28, 2012, pursuant to the Asset Purchase Agreement (the “Purchase Agreement”) dated as of December 1, 2012, between Equifax Information Services LLC, a subsidiary of the Company, and CSC Credit Services, Inc., a subsidiary of CSC, the Company completed the purchase of certain credit services business assets and operations of CSC (the “Transaction”) for approximately \$1.0 billion in cash. The Company funded the purchase price of the Transaction using \$496 million in net proceeds from the issuance of 3.30% Senior Notes due 2022, \$265 million from the issuance of short-term commercial paper and \$239 million in other available cash.

The foregoing description of the Purchase Agreement (including the description of the consideration paid in connection with the Transaction) is qualified in its entirety by reference to the Purchase Agreement, a copy of which was filed as Exhibit 2.1 to the Company’s Current Report on Form 8-K dated December 3, 2012 and is incorporated herein by reference.

On December 28, 2012, the Company issued a press release announcing that it had completed the closing of the Transaction. A copy of the press release is furnished as Exhibit 99.1 hereto and is incorporated by reference into this Item 7.01. The information in Exhibit 99.1 shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.
